ENGINEERING

unlimited...

● In engineering, the sky's the limit today at Canadian Westinghouse. The never-ending demand for more advanced electrical and electronic devices for the homes, industries and defence services of Canada, coupled with a steadily broadening engineering horizon, gives virtually unlimited scope for the talents of the Westinghouse corps of engineers.

If you are an undergraduate in electrical, mechanical or electronic engineering—if you would like to build a stimulating and rewarding career, working with leaders in your profession in one of the largest and fastest-growing engineering organizations in Canada . . . get in touch with Westinghouse, where constant progress is always making new opportunities for engineers.
