### BRENNAN'S CLOCK

When Wimpy went to bed that night  
He placed his clock upon the shelf.  
It was in position where he might  
See when to resurrect himself.

He tried to sleep, but not a chance;  
It ticked so loudly through the hall  
That Wimpy wrapped it in his pants,  
And slept until the morning call.

When the bell rang Wimpy got a shock,  
And jumping, gave his pants a pull.  
Down came the pants and down the clock  
To bits; now Frank's of sadness full.
