

## ATHLETICS

The sports played during the first semester are football, handball, tennis, basketball.

In its second year in intercollegiate circles the football team justified the confidence placed in it. After a slow start, the season was concluded with a smashing victory over Mt. A. Using this game as a criterion, competent authorities place our team on a par with any college team in the Maritimes.

The Varsity squad was composed of the following men: Hal Hennessey (Captain), Joe Chisholm, Pius Murnaghan, Maurice Smith, Jack Coyle, Bill Connors, Jack O'Shea, Jack Trainor, S. Trainor, Bert Steele, L. Connolly, Walter McGrath, David McTague, C. Gallant, E. McInnis, Vince Grant, K. Mooney.

Army—3

S. D. U.—3

Coming out to give the Varsity a practice, the Medical Corps team gave an exhibition of as keen a fighting spirit and heady playing as has been on our field in a long time. Played on a rainy day, the game was a battle all the way. The ardor of the fans was dampened when Joe Chisholm received an injury, while blocking a dribble, which rendered him "hors de combat" for two weeks. Smitty's penalty kick, from twenty five yards, scored the Saints' points. The Army equalized on Roach's try. His attempt at convert, from near the touch-line and with a soggy ball, missed by inches. Near the end of the game Vince Grant sprinted fifteen yards to the line, where he was hit by several opposing players. After the mountain of legs, arms and mud was cleared away, it was evident that the Army had repulsed the attack, for one of their men was holding the ball. The game ended soon after with the play pushed back to midfield.

Army line-up: LeClerc, McKinnon, Peters, J. Roach, Coyle, MacDonald, V. Roach, Sinclair, Hiller, D. McCormick, R. B. McCormick, Hogan. McLennan, Toombs, Purser, Arsenault, McEwen, Dillon.

Mt. A—5

S. D. U.—3.

The boys set out with quiet confidence for Sackville

to open the Intercollegiate Series with Mt. A. They left the field a bit dampened in spirits, however, for they were on the wrong end of a 5-3 score. In the first half both teams did a great deal of kicking, with Mt. A. having the edge. On a scrum on our twenty-five yard line our boys heeled the ball, but Jamieson, a Mt. A. half-liner, ran up, blocked the kick, scooped up the rebound, and his Garnet and Gold sweater flickered over the line to give Mt. A. first blood. McDermid did a grand job in booting the convert. In the second half our back-field turned on the heat. In our own end of the field Johnnie Coyle garnered the pig-skin, dusted through a maze of players, passed to Trainor, who took out two more players and passed to Vince Grant, who slipped around the two remaining players and jaunted fifty yards for the Saints' only try. Smitty missed the convert from a sharp angle. Later the Saints saw a penalty kick by inches. The game ended with both teams banging away in mid-field.

Mt. A. line up: McLeod (Captain), Bell, Rae, Gardener, MacDermid, Titus, Jardine, Karrel, Colpitts, Logan, Jamieson, Biglow, MacDougall, Fraser, Tucker, Leighton, Lund, McIntosh, Cunningham.

## U. N. B.—16

## S. D. U.—3

Two days later the boys visited Fredericton, for a tussle with the big and fast U. N. B. team, where they received a royal welcome. The U. N. B. boys were in dazzling form. Leaving the field empty-handed at half time, after Vince had scored our only points with a well earned try, U. N. B. returned to score four trys and two converts in thirty-five minutes. With a scrum working like an automaton, and the back-field clicking like a clock, they kept the play in the Saints' end of the field most of the time. Atyeo snared two tries, Andrews and McLenahan one each, and McLenahan hefted the two converts. This defeat was no disgrace to the Saints; they simply met a bigger and better team on one of its on-days.

After plastering them on the field in the afternoon, the U. N. B. boys tendered our team a banquet that evening; it was a fine gesture and was deeply appreciated.

U. N. B. line-up: Loggie (Captain), M. Rogers, Atyeo, Andrews, Rouse, McLenahan, Colby, Lochart, D. Dyer, Grebner, Good, Murray, Coombs, Wolstenhome, Snodgrass, Watson, Conacher, A. Rogers, Elgee.

U. N. B.—3.

S. D. U.—0.

For their first home game the Saints were hosts to the U. N. B. team. On a day on which the rain came down in buckets, the Saints went on the field with determination written all over them, and the game itself spoke volumes for their determination. It made a fellow feel proud to be a student here. Time after time, beaten back to their five yard line they came surging back in an advancing wave of Red and White. The Saints were unfortunate on four penalty kicks, all of which would have been booted on a dry day. The game was a continual see-saw from one end of the field to the other, with neither team having a clean cut advantage. Our scrum did Trojan work in this game; they followed the ball continually and prevented many U. N. B. plays from more than starting. The highlight of the game was McLenahan's angle kick from the thirty yard line; it was a mighty kick, bringing the ball up to the goal posts with plenty of height; then came the break; the ball hit a side post and bounced inside for the only points of the game.

Mt. A.—3

S. D. U.—21.

On their last game of the series, the Saints wound up with a smashing victory. The weather was almost perfect, with the wind remaining constant during the game. Mt. A. never had a chance in this game; our boys, fresh from a three day rest, completely dominated the play. The razzle-dazzle passing plays of the back field seemed to amaze the Mounties, who were drawn out of position continually, and were entirely unable to cope with them. The Saints reached the Mt. A. five yard line in three minutes; Trainor nabbed a Mountie fumble and nipped over the line, where he was immediately sat upon by a dozen or so Mounties. Mt. A. did some fine kicking in this half, with McDermid scoring their only points on a twenty five yard penalty kick from the corner, the finest kick seen on this field all season. In the second half Vince Grant, easily the fastest man on the field, raced twenty five yards for the second try. Soon after, Pie Murnaghan ducked around the half-line and went thirty yards for another try. About midway through the period Chris Gallant received a pass on the Mt. A. forty yard line and barged up the field to place the oval directly behind the bars. His work in shaking off two would-be tacklers on the ten yard line was the outstanding

play of the game. Near the end of the game Jack Coyle, after several brilliant runs, completed the rout with a try on a passing play covering three quarters of the field. Smitty, besides playing outstanding ball, boosted three converts. The sportmanship of the Mounties took the eye of the fans and fanettes. Out-classed but not out-fought, they did their best, but it wasn't their day. Trying to pick a star from this game would keep a man busy for weeks, they were all so good. Our choice is Gallant.

## INTERMEDIATE FOOTBALL

P. W. C.—0

S. D. U.—12.

After acting most of the year as cannon fodder for the Varsity, the second team began its annual series with the Prince of Wales College team, for the Island Intermediate championship, as a team used to rough going. It walloped the P. W. Collegians 12-0, and won going away. With the scrum heeling the ball continually and the backfield gaining ground consistently, the play ranged up the field, where McKenna barged over from a ten yard scrum for the first try. From the kick-off at center, the Saints quickly carried the play over the P. W. C. line, Hogan heeling over the last twenty yards to score the try. Just before the half ended, McAdam scooped up a loose ball near the line and plunged to make the score 9-0. Near the end of the second half Gormley, who was the spark plug of the Saints' attack, went over the line with two aboard for the last try. Howie Hogan, who did a beautiful job as flyer, missed the kicks in his first attempt at converting. The score does not tell the entire story of the game; for the P. W. C. boys, although entirely out-classed, almost scored on two occasions. On one, Pud Roach dribbled spectacularly over the line, only to have a Saint fall on the ball, and on another, Doug Saunders missed a thirty-five yard penalty kick by only a foot. It just wasn't their turn for the Saints were the better team.

P. W. C.—3

S. D. U.—5

The second team clinched the Island Intermediate title with a 5-3 victory over Prince of Wales in the second game of a best out of three series. Due to the great improvement in the town boys this game was much more evenly fought than the first. Midway in the first half a long punt

hit one of the Saints on the head and rolled towards the Saints' line; the players booted it over the line and then tore after it. Tom Norrie, in an attempt to shoulder McLeod, P. W. College half-liner, who was nearest the ball, fell, and tripped McLeod; so the P. W. C. team was awarded a try. Doug Saunders, due to over-anxiousness, missed the easy convert from in front of the bar. For the rest of the half, the play see-sawed with neither team having a real opening. In the second half, after the Saints had worked the play up to P. W. C.'s twenty-five yard line, McAdam snagged a loose ball and wiggled his way over the line. Norrie won the game with the points from his angle convert in a hard wind. This victory over their friendly enemies makes the Saints once again Island Intermediate Champions. Congratulations.

S. D. U. line-up; Tom Norrie (Captain), Linus Rossiter, Hubert O'Hanley, Ernie McCarey, Jack O'Shea, Joe Doucette, Joe Cullen, Howie Hogan, George McKenna, Frank Aylward, Clarence Coady, George McDonald, Ronan McDonald, Brick Gormley, A. J. McAdam, Len Burke, Leo Rossiter.

P.W.C. line-up; D. Gillis, A. McLeod, J. Richard, V. Roach, D. Saunders, R. Smith, W. Leightizer, L. Weeks, B. Campbell, A. Saunders, H. Conway, A. Arsenault, D. Crawford, B. Hooper, W. Mayne, D. McLennan.

Referee for both games, Jim MacCullum.

#### Queen Square—3

#### S. D. U. Intramurals—3.

A team picked from the Intramural league held its perennial rival, Queen Square, to a tie in an exhibition game. Ted Wilson scored for Queen Square on a fast back-field play in the early part of the game. It appeared as if Queen Square were going to run away with the game, but the Saints pulled up their pants and settled down to business. MacIntee evened for the Saints in the last ten minutes on driving thirty yard run. Both attempts to convert failed. Queen Square controlled the ball most of the time, but our boys broke away on typical St. Dunstan's passing plays with Corcoran the spearhead, when they were most needed. In their first year at football, the boys showed that we are not lacking in prospective first-team material.

Saints' line-up; Mike Thellab, Frank Corcoran, Vince Gauthier, Aeneas MacIntee, Allan Callaghan, Pat Sharkey, Allan MacDonald, Everet Cameron, Louis Devereaux,

John Horgan, Louis MacDonald, George Smith, Dave Gorman, Vince Grimes, Henry O'Shea, Phil Steele, Ray Rice.

### INTRAMURAL FOOTBALL

The success of a college team over a number of years depends on its ability to develop players from the men entering the lower classes. Here at St. Dunstan's, the Varsity depends on the Intermediates for players to fill the places of those lost by graduation; the Intermediates in turn depend on the Intramural league to develop its reserves. Since the Intramural league is the foundation of all football in the college, the quality and development of its players are of the utmost importance.

The league this year consisted of three teams, the Sozzinies, Tuggenbunds and Moravians; the romantic titles are products of football representative Hall Hennessey's fertile imagination. In the semi-finals the Tuggenbunds trimmed the Sozzinies by Vince Gauthier's two tries; in the finals they wopped the Moravians 3-0 on another try by Vince, who was the star of both games.

Bouquets are due to:

Rev. Walter McGuigan; as coach of the Varsity team he has a difficult position owing to the scarcity of material. The results of the Saints' games in the Intercollegiate League speaks for his ability to train the team, and to inculcate a spirit of fight and sportmanship into his players. As one of the chief supporters of all forms of athletics in college, we owe him a bouquet of fragrant Chrysanthemums.

Rev. Fred Cass; as coach of the intermediates it is his job to transform a squad of players from cannon fodder for the Varsity into a regular team capable of holding its own in Intermediate competition. As coach of the Basketball team his task is doubly difficult because of the lack of facilities. His work in these fields has been a big help to athletics. Thanks, Father.

Jim MacCallum; who had the difficult task of refereeing the Saints' home games. Strict and impartial, his word was never disputed. His good work was particularly noticeable in the game with U. N. B., which was played on a quagmire in very inclement weather. Nice work, Ref.

The U. N. B. football players for their fine work in winning the Maritime Intercollegiate Title against keen competition and for their great game against Caledonia in the MacCurdy Cup finals. Congratulations.

## FIELD DAY

The Saints begin the athletic year with a track meet, in which there are usually some noteworthy events by which it is remembered. This Year's meet was no exception for Vince Grant toppled the records in the 220 and 440, while Howie Hogan set a new mark in the High Jump. In the 440 Vince bulletted from the start, opened a lead of fifteen yards, and tore around the track to cut a full second off the record. Howie entered the lime-light when, in the high jump, he ran up to the bar, pointed his feet towards heaven, and followed them high enough to break the record. Grant and Hogan took first and second in the senior events. In the junior competition, George Kennedy and Louis MacDonald tied for first place taking turns at coming first and second in practically all events. The students staged a sit down strike to compel the members of the faculty to run a hundred yard race. The efficacy of the strategy was proved to their satisfaction by the race, in which Father Oswald Murphy beat Father Cass by an eye-lash. In the tug of war the Seniors, after coaxing the Battlers of Grade XII and the Behemoths of the Junior Class over the line, bowed to the superior avoirdupois weight of the Faculty.

The tug of war between the Faculty and Seniors was won by the Faculty.

Half Mile Relay—1, Seniors; 2, Juniors; 3, Grade XI.

The following is a comparison, of the marks made in our track meet, with those made in the Maritime Inter-  
varsity Track Meet, held this fall in Halifax, which consisted of teams representing St. F. X., Dal., Mt. A. and Acadia.

S. D. T. M.	M. I. T. M.
100 yds. Grant—10 2-5 secs.	Norton (Mt. A.) 10 2-5 secs.
220 yds. Grant—23 4-5 secs.	Norton (Mt. A.) 23 3-5 secs.
440 yds. Grant—54 secs.	Colpits (Acadia) 54 secs.
880 yds. Smith—2 min. 14 secs.	Colpits (Acadia) 2 min. 6 1-5 secs.
Mile Smith—5 min. 27 secs.	Brown (Mt. A.) 4 min. 51 4-5 secs.
High Jump Hogan—5 ft. 4 ½ ins.	Nomamahe (Dal.) 5 ft. 6 ins.
Broad Jump Hogan—18 ft. 4½ ins.	Norton (Mt. A.) 20 ft. 10¾ ins.

What do you think Saints ?

The suggestion has been advanced that we stage a set of events requiring all around ability in order to pick the all around athlete. At the present time we stage a few dashes and jumps, and call the man who amasses the largest number of points the all around athlete. What we need is some modified form of the modern decathlon, the criterion used at the Olympic Games, which consists of ten events; the winner of this is the man with the best combination of brawn and speed. With so many strong, fast men as there are in college, it would be really interesting to know just who would be then the best all around athlete.

#### BASKETBALL

For the first time in some years a real attempt was made this fall to introduce basketball as a regular sport. Due to the initiative of Moderator of Athletics, Father McGuigan, and Representative, Pius Murnaghan, one end of the rink was changed into a basketball floor. The interest taken in the inter-class league played on this floor shows the pressing need here for a gym in which to play such sports the year around. Competition in Basketball is keener probably than in any other sport, if it is played properly, owing to elimination of bodily contact and the emphasis placed upon speed and brains. With a gym in which to practice, it would be only a matter of time until a team would be produced capable of playing in Intercollegiate circles. From the ranks of those playing in the class league Coach Father Cass expects to produce the best team in years.

*Remember—*

Grant's 440—the faculty race—Holland's relay work—the mud in the U. N. B. game—Maher's work for the two theater passes—Coyle's smearing on pulling the "hidden ball" trick—the fighting spirit of the Intermediates, McDermid's penalty kick for Mt. A.—Tiny Matheson as anchor man in the tug-of-war.
