

College Chronicle

DRAMATICS

This term brought about the culmination of a most successful year for the Dramatic Club. Early last September it was decided to produce a play at the college. A suitable one was chosen, characters were picked and practice began. In November the play was presented to a very appreciative student audience. It was decided, with the approval of the Rector, to present the play in the city immediately after the holidays. The proceeds were to be donated to the building fund of the Sisters of Martha. "One Good Turn," a four-act drama, was staged in Queen Square Hall on January the fifteenth and sixteenth.

We wish to contragulate Reverend M. E. Francis to whom much praise is due for his able direction of this, one of the many successful plays that have been produced under his management. Upon his skill, his perseverance and his encouragement depends the success of St. Dunstan's dramatic efforts.

We also wish to congratulate Mr. D. J. Sullivan, who directed the play during the unfortunate illness of Father Francis. His efforts and talent greatly assisted the Dramatic Society in presenting the play in the city.

ELOCUTION

This term Miss Margery Hicks is conducting a class of elocution to the Senior and Junior classes. Miss Hicks is a graduate of the Emerson School of Oratory. In her classes we have found her to be very interesting and instructive. We hope that she will have a successful year.

ST. THOMAS DEBATING SOCIETY

At the first meeting of this society the members were informed that henceforth there would be no Moderator present at their meetings. This necessitated the drawing up of a new constitution, and the election of new officers. A committee was appointed to draw up a constitution, and

at the next meeting this was discussed and finally decided upon. The new executive, for the remainder of the term, is:

<i>President</i>	J. L. MacDonald

PHILOSOPHER'S DAY

To the Philosophers of St. Dunstan's, March the seventh is a day of special significance; for it is the Feast Day of St. Thomas Aquinas, the Patron of Scholastic Philosophy. It is always a day of celebration. In the morning all the Philosophers assisted at High Mass, sung by Reverend Doctor Ellsworth, which was followed by Benediction.

Later in the morning, the traditional hockey game was played between the Seniors and the Juniors. A hard fought "thriller" resulted in a seven to two victory for the Juniors.

At two o'clock the Philosophers held a banquet in the Blue Room of the Old Spain. Reverend Doctor Murphy, Reverend Doctor Ellsworth and Professor D. J. Sullivan were present. Mr. John Kenny acted as Toastmaster. Everyone had an enjoyable afternoon.

The following toasts were drunk and responded to:
