

# Alumni of St. Dunstan's

"The object of the Alumni Association shall be the promotion of the interests of St. Dunstan's University". — Constitution and By-laws.

The successful accomplishment of this objective depends upon the loyal cooperation of ALL former St. Dunstan's men and women. We are grateful to those whose support has been so valuable in the past; we trust that many others will become ACTIVE members of the Alumni Association —active promoters of the best interests of our College.
