

The scholastic year 1958-59 promises to be a most successful one in the realm of sports. This year, St. Dunstan's participated in a Maritime Intercollegiate League of Canadian Football, for the first time in its history. A second major factor is the erection of a new skating rink with an artificial ice plant which will lengthen the hockey season both ways, and will have the effect of bringing it close to the heels of the football season.

At St. Dunstan's, the main athletic attraction of autumn has always been football. This year is no exception. Indeed, the colorful game of Canadian Football has become so popular that we can't imagine its being replaced by another sport. The fall of '55 saw the last games of English Rugby in an Intercollegiate League. Two years later the new Canadian game was introduced on the campus. The transition was relatively short considering that we are a small college in numbers, but like all time-honored institutions the great game of English rugby did not die that quickly. We find its veterans composing most of the faculty, and even a few students who returned to college after a year or two of absence. These same people are often heard discussing former games and championships. In spite of the great popularity that English rugby once had, it was eventually outstyled by the newer Canadian game that edged its way into the Maritimes about ten years ago. The popularity of the new game was proven this fall when about 1000 fans turned out on a chilly afternoon to watch the first intercollegiate game played on the campus.

MARITIME INTERCOLLEGIATE LEAGUE

The question in our minds last year was whether or not this potential football league would materialize. Well, we know that it did. Its initial year, so far, has been a booming success. Although the greater part of the "Red and White" squad are rookies, they got out there and played like pros, as the year's record indicates.

The Colleges participating in the six-team league were: St. Mary's, Acadia, Mount Allison, University of New Brunswick, St. Thomas, and St. Dunstan's.

The U.N.B. "Red Bombers" came out on top with only one loss, while Mt. Allison having agreed to a "home and home" series with the Bombers lost the title in the final game to finish in second place. St. Dunstan's finished in third place with three victories in five starts over St. Mary's, St. Thomas, and Adacia respectively. The coach and players deserve the highest praise for such an impressive performance in their first season. They were beaten only by the two veteran teams in the league. With a year's experience behind them they'll be out for the Championship next year and we can assure them that their fans will always be with them.

Special mention must be made here of two men who did more than anybody to make this year's football activities a great success. They are, coach A. J. MacAdam who has been directing the college teams for well over a decade, and manager, Bill Costain, a tireless worker, who carried to perfection every duty connected with that position.

THE LINEUP OF S.D.U. FOOTBALL TEAM

Arsenault: 5' 10", 150 lb.—Paul, born in Charlottetown, played senior A ball with Cardinal Newman High in Montreal where he is presently residing. Speedy and shift, this veteran halfback is always a top performer.

Barlow: 5' 6", 145 lb.—Wilf, a senior Commerce student, is playing his freshman year with the Club. A veteran of English Rugby, he is deceptively fast in halfback slot.

Bilodeau: 6' 0", 150 lb.—"Pic", a former Rugby player with five years in the new game, is the Coach's dream. He plays corner line backer and alternate quarterback. This native of Ottawa is a spirited player, always boosting team morale.

Cain: 6' 0", 165 lb.—Billy was born in Summerville, P. E. I. and came here in '54. As a rookie in Canadian Football he has proven himself a very effective player as defensive tackle.

Clooney: 6' 0", 190 lb.—A relatively new comer, Martin hailing from St. John's, Nfld., is the sole player from that province. Coach McAdam was impressed with this former trackman's ability to adjust himself to the new game.

Collins: 6' 1", 180 lb.—A valuable quarterback, Gil, came here from Regina last year. A smooth ball-handler and a cool head, he is the main driving force behind the Saints.

Dunphy: 5' 11", 188 lb.—Brendy's services are highly valued on the "Red and White" squad as they were formerly in Intercollegiate Rugby circles. Hailing from Peakes he uses his weight to good advantage in the position of defensive guard.

Foley: 5' 11", 165 lb.—Emmett, a native of Bloomfield, with his speed and determination makes up for his lack of experience with lots of drive. Fills first-string guard position.

Gillan: 5' 8", 135 lb.—Basil, a native of Peakes, is a rookie with the Club. A very effective tackler on account of his speed, he makes many fine defensive moves.

Gillis: 5' 8", 155 lb.—Frank, a track and field star, plays in the slot of line backer. Muscular and speedy he makes a good tackler. Born at St. Peters, Frank now makes his home in Hamilton.

Gillis: 5' 11", 165 lb.—Gerry, usually playing in the position of defensive half, is also found bucking the line in the fullback slot. A brother of teammate Frank, he surprised Coach McAdam in his rookie performance because of his broken-field running, and quick adjustment to the game.

Hickey: 5' 10", 175 lb.—Larry, a veteran of English Rugby, is playing his second year in the Canadian game. Playing both offensive and defensive tackle he is noted for his dependability.

James: 5' 11", 185 lb.—Jack came here from Quebec City in '57. He is a very strong player making use of previous experience. He is found to be very effective in the fullback position, also as defensive guard.

Leclair: 5' 11", 170 lb.—Don, a Charlottetownian, provides much of the speed in the Saint's backfield. He also is a reliable man in the corner linebacker slot.

Levasseur: 5' 11", 200 lb.—Coming from Quebec, Peter, a Junior arts student, has played Canadian game for five years. In his first year with the Saints he shows his experience in the position of defensive guard.

Lund: 5' 11", 165 lb.—Playing defensive half or linebacker, Parker, a Charlottetown product, is a rugged tackler for his size. He is very alert at all times on the field.

Murphy: 5' 9", 175 lb.—"Dolie", a native of Georgetown, is a hard running halfback with great coherence of body. His style of running makes him hard to tackle, and St. Dunstan's fans are used to seeing him cross the enemy lines for a T.D.

MacDonald: 6' 0", 175 lb.—An offensive guard in his second year with the team, this Charlottetown lad is fast, hard, and reliable. Ian adds a great deal of life to the team.

MacIntyre: 5' 11", 165 lb.—Vince, now living on the Island, came out of Winnipeg football circles well schooled in the game. He is one of the Western quartet who added so much to the Saints fine showing last year. Playing out of corner line backer he is always a star performer.

MacKinnon: 6' 3", 190 lb.—Ken is experiencing his second year in the game playing out of left offensive tackle. Born in Charlottetown, this Junior Science student has a wealth of football sense and athletic ability.

MacMurray: 6' 2", 195 lb.—A new-comer to St. Dunstan's, George hails from Lancaster, N.B. As his size indicates, he plays well at the post of defensive guard. He is fortified by previous experience.

Noonan: 6' 2", 180 lb.—Brian is an experienced Westerner who has been in the game for some seven years. A very reliable man as defensive or offensive end, quarterback Collins often uses him to complete a long pass.

O'Brien: 5' 8", 140 lb.—Mike, who hails from Parkdale, is a rookie with the Saints. He is fast and shifty, and has shown himself to be an effective flying wing-man.

Pendergast: 6' 2", 190 lb.—This Charlottetown lad is putting in his first year with the Saints, but with his size and aptitude should be feared in years to come. Reg. makes his presence felt in the position of defensive tackle.

Sark: 5' 10", 195 lb.—Charlie needs little introduction for he is well known as a vicious blocker and tackler. He plays offensive center and line backer. The sophomore "jinx" hasn't affected this Lennox Island lad who is even more indispensable this year than last.

Simmons: 5' 11", 220 lb.—Bob, a native of Charlottetown, is giving his services to the team for the second year, in the position of fullback. A powerful runner he is very hard to tackle.

Steele: 6' 0", 190 lb.—Pete is big and hits hard in his position at defensive end. This Miscouche product is experiencing his first year in the "Red and White" uniform.

Sullivan: 6' 0", 175 lb.—In Junior year, Rollie is another rookie at the new game, but you'd never think it to see him on the field. He is a native of Montague, and plays defensive tackle.

Tingley: 6' 4", 195 lb.—Gerry, a varsity basketball star, came to St. Dunstan's in '54 from Campbellton, N.B. His towering frame makes him valuable as an end both offensively and defensively.

Trainor: 5' 10", 160 lb.—George, playing his sophomore year in the game, is an allout performer. A good runner and blocker, he plays defensive half. He is a well known figure in Charlottetown hockey circles.

White: 6' 1", 160 lb.—"Howie", wearing the "Red and White" uniform for the second year, is playing out of defensive corner linebacker. A hard-driving tackler noted for his dependability.

SYNOPSIS OF GAMES

The Saints, in preparation for their Intercollegiate opener, played one game with P.W.C. which they won 47-0. Their points were accounted for in seven majors and five converts. The T.D.'s. were scored by Tingley, Noonan, James, Clooney, Arsenault, and LeClair.

S.D.U. 37

S.M.U. 33

This conflict saw the "Red and White" squad victorious in their formal debut in Canadian football. The Saints took the offensive right from the first to put the Santamarians off balance with an 18-0 lead. This lead was lost when the St. Mary's came back to score three TD's making it 21-18 at half time. Playing on their home field, St. Dunstan's came charging back after half time to score three TD's and a convert. One beautiful play was a 55 yards pass from Collins completed by Noonan. A speedy half-back, Barns, led a scoring spree for St. Mary's with two touchdowns. But time ran out before they could even the score. A. J. MacAdam's squad had a total of 392 yards by rushing against 169 for the visitors.

These 33 points were the first to be scored against the college squad in Canadian football. They had played five exhibition games last year, and one this year, all of which were shut-outs.

S.D.U. 45

ACADIA 20

The Saints showed their superior power for the second time when they beat the Axemen by a 45-20 score, on Raymone Field in Wolfville. "Dolie" Murphy was the star of this game when he barrelled through for three touchdowns. The Axemen who shortly enjoyed a 6-0 lead, soon succumbed to the Islanders' attack. Showing almost equal strength, quarterback, Peter Holy brought his boys to within five points of the Saints. It was in the last quarter that St. Dunstan's caught fire and went on to hand the "Red and Blue" squad their third consecutive defeat in as many tries.

MT. ALLISON 71

S.D.U. 7

The powerful Mount Allison Mounties rolled into Charlottetown one Saturday afternoon and used their superior experience, weight, and strength to hand the Saints their first defeat in two years. They certainly did a fine job and the local lads recoiled under a 71-7 avalanche. The only spark in the Saints appeared when they quickly retaliated following the visitors' first T.D. and took the lead by one point when Collins converted his own major. After this it was just a matter of time with the Red & White defensive platoon doing its best to withstand the crushing Garnet & Gold horde. It couldn't be done as the final score clearly tells. The outstanding performer of the day was 135 lb. Basil Gillian who tackled like a fiend and sparked the Saints' defensively with his drive and determination.

U.N.B. 25

S.D.U. 0

Following the Mount A. defeat, the Saints returned to U.N.B. in Fredericton where they again came out on the bottom. Although not as strong as Mount A., the U.N.B. team used several hefty linemen to good advantage. This along, with the Saints' loss of center Charlie Sark and the sidelining of their field general Gil Collins with injuries, plus their unfamiliarity with their new signal caller, combined to give the U.N.B. squad the honours of the day. Although the Saints couldn't cope with U.N.B.'s aerial attack their defensive squad was outstanding with Basil Gillan again playing a first class game tackling. Noonan as usual played a high caliber game both offensively and defensively.

ST. THOMAS 20

S.D.U. 37

On Saturday Nov. 8, the "Red and White" squad, after two consecutive losses, downed St. Thomas College of Chatham 37—20 in their final game of regular Intercollegiate play. The Saints proved to be too strong for the Tommies right from the start, as they came up with four touchdowns in the first half to lead 24—6. Both teams were exceptionally strong in the backfield. Brian Noonan, playing his last game with St. Dunstan's was the star performer; playing out of fullback position he scored three touchdowns.

Terry Gulliver led the attack for the Tommies with a pair of majors. Burnard Keating scored for the third. A convert and a pass accounted for the other two points. Quarterback Bob Ried and halfback Brian Jones played a strong game for the losers. Ried was successful in eleven out of twenty two passes while the Saints completed six out of thirteen. The winners had 31 first downs against 25 for the Tommies.

The other Saints' touchdowns were scored by Paul Arsenault, Gerry Tingley and "Dolie" Murphy. The latter carried the pigskin over twice but one was disqualified.

Two other senior class men, Pic Bilodeau, and Larry Hickey, had their last action in the "Red and White" uniform in this game. Bilodeau, a native of Ottawa, played two good seasons with the Saints in the position of corner linebacker and alternate quarterback. Hickey, a native Islander, was always dependable in defensive and offensive tackle. Noonan, already mentioned, showed the fruits of seven years experience by his spectacular performances in the positions of fullback, linebacker and offensive quarterback. These men will be sorely missed as the Saints' of next year go out to try their luck in Maritime Intercollegiate circles.

The Red and White offers its congratulations and best wishes to those outgoing team-members.

CONCLUSION

The regular league play is over in the football world but we will hear much about that sport yet as there are semifinal and final games to be played and championships to be won.

Bowling and basketball are both underway now and hockey is soon to begin. The Saints have a well-balanced basketball team this year and are hopeful of a good season. In hockey they have their goal set on at least the Island title. The success of these teams will be published in the Winter issue of the *Red and White*. Until then "Cherrio"

—DES MULALLY

JUNIOR VARSITY

Father Ledwell has come up with a well balanced team from High School and Freshman. This is a hard-hitting eager group of fellows who have already created a new rivalry with P.W.C., by defeating them twice in as many tries. The main purpose of this team, however, is not to continue a traditional rivalry with Prince of Wales, but to train those potential senior players for their rookie year, and to give the younger classes an immediate means of interest in football.

This junior squad has a big asset, this year, in the presence of Ray Hache and Jack Kane, senior stars of last year, who are doing good work in directing their younger teammates in the mechanics of the game.

SYNOPSIS OF GAMES

S.D.U. 14

P.W.C. 0

Both teams entered this game with extra caution and few predictions, for it was their first meeting. St. Dunstan's were playing host to Prince of Wales. The Saints were led by Jack Kane who tossed a number of passes to halfback Hache, two of which were good for touchdowns. Besides one "rouge" these accounted for all the points in the game.

The Welshmen coached by Cons. W. J. R. MacDonald, R.C.M.P., and quarterbacked by Kenny MacKenzie gave it a try all the way. The latter made many fine plays, but the St. Dunstan's line was too strong. Halfback Ray Murphy of Georgetown accounted for long gains by the Saints, while Hugie MacLean carried most of the mail for the Welshmen. But MacIntyre of Mt. Stewart and Jack O'Keefe, a Newfoundland boy, also carried well for the winners. A strong player for the visitors was Bob Lea who teamed with MacKenzie on several completions.

S.D.U. 21

P.W.C. 6

Father Ledwell's crew came through for another fine win on Tuesday, Oct. 28, playing on their home field. The "Red and White" squad was quarterbacked this time by Ray Hache. The Welshmen were about to break into the winning column when they were leading 6-2 at half time. This touchdown was the first one that P.W.C. scored against the Saints in Canadian football. The Saints came back stronger in the last half to score three T.D.'s. Two were gained by Ray Hache, and the third was on the outstanding play of the game as John O'Keefe ran for 75 yards from the fullback slot. Because the game was played in driving rain there were few aerial plays. The Saints had 13 first downs while their opponents had eight.

FIELD DAY

Field Day was held this year on October 7. Though it was a relatively cold day there was a large group participating and a fair number of spectators were present. The winners in both junior and senior events were freshman students from Newfoundland. In the senior events (18 years and over) the winner was Ed Murphy with 21 points. The high man in the junior ranks (under 18) was John O'Keefe who collected a total of 31 points. The Red and White extends its congratulations to Ed Murphy who won his athletic "D" on that day. In class competition the Freshman led the way with a total of 35 points.

The following are the results of the individual events:

Senior Shot Putt—1. Danny Shea, 2. Bobby Simmons, 3. John James.
Dist. 40' 5"

Junior Shot Putt—1. John O'Keefe, 2. Loyola Griffin, 3. Joe Bennett
Dist. 35' 4"

Football Kick—1. Gerry Tingley, 2. Charlie Sark, 3. Bob Simmons
Dist. 170'

Football Pass—1. Bob Simmons, 2. Brian Noonan, 3. John Kane
Dist. 177'

Senior 100 Yards—1. Edward Murphy, 2. Don Leclair, 3. Bob Simmons. Time: 11 sec.

Junior 100 Yards—1. John O'Keefe, 2. Leo Doyle Time: 11.8 sec.

Senior 220 Yards—(3 way tie)—1. Ed Murphy, Don Leclair, Anthony Manning Time: 25.4 sec.

Junior 220 Yards—1. John O'Keefe, 2. Loyola Griffin, 3. Tilmon Gallant Time: 25.8 sec.

Senior 440 Yards—1. Frank Gillis, 2. Ed Murphy, 3. Anthony Manning. Time: 57.2 sec.

Junior 440 Yards—1. John O'Keefe, 2. Loyola Griffin, 3. Joe Martell. Time: 63 sec.

880 Yards—1. Frank Gillis, 2. George May, 3. Charles Broderick
Time: 2 min. 27 sec.

Mile Run—1. Frank Gillis, 2. Charles Broderick, 3. Reg Pendergast
Time: 5 min. 44 sec.

Senior Standing Broad Jump—1. Leonard Praught, 2. Ray Hache, 3. Andy Toth. Dist. 8' 11½"

Junior Standing Broad Jump—1. Tilmon Gallant, 2. John O'Keefe, 3. Joe Martell Dist. 8' 5½"

Senior Running Broad Jump—1. Ed Murphy, 2. George May, 3. John Kane Dist. 17' 1"

Junior Running Broad Jump—1. Ray Murphy, 2. John O'Keefe, 3. Joe Martell Dist. 15' 10"

Senior Hop Step and Jump—1. Bob Simmons, 2. Vince MacIntyre, 3. John Kane Dist. 34' 2"

Junior Hop Step and Jump—1. John O'Keefe, 2. Gerry Boland, 3. Joe Martell. Dist. 33' 2"

Senior High Jump—1. Brian Noonan, 2. Ed Murphy, 3. Gerry Boland Height: 5' 6"

Junior High Jump—1. Kevin Aucoin, 2. Ken Fitzpatrick, 3. Joe Bennett Height: 4' 8"

Baseball Throw—1. None

Three-Legged Race—1. Ray Hache & Pic Bilodeau, 2. John O'Keefe & Loyola Griffin, 3. Vince MacIntyre & Bob Simmons

Wheelbarrow Race—1. Loyola Griffin & John O'Keefe 2. Brendon McGinn & Brendon Dunphy

Backward Race—1. Ambrose Ralph, 2. Loyola Griffin, 3. John O'Keefe

Shoe Race—1. Robert Holman, 2. Ambrose Ralph

Mile Walk—1. George MacDonald Time: 9 min. 45 sec.

Green Race—None

Relay Race—1. Seniors, 2. Freshmen, 3. Sophomores

Tug of War—None

Individual Points—Seniors: 1. Ed Murphy 21, 2. Frank Gillis and Bob Simmons 15, 3. Brian Noonan and Don LeClair 8

Juniors—1. John O'Keefe 31, 2. Loyola Griffin, 9, 3. Tilmon Gallant 6

The world's highest cathedral spire is in Ulm, Germany. (532ft.)
