

ATHLETICS

Space and time do not permit the writing up of all the fifteen or sixteen hockey games which the Collegians have played this season. Because of this the games have been outlined as briefly as possible.

The dogged, fighting, never-say-die, spirit of the Collegians brought them safely through the semi-finals with two wins out of three against No. 2 A.N.S., Charlottetown. The Collegians took the first game 6-4, dropped the second 3-2, and made no mistake as they clinched the third game 6-4. They then advanced against the series winners, Summerside R.C.A.F. Flyers. The Summerside team won the first game by a score of 10-5. The Collegians won the second 6-3. Summerside then took the next two games, 6-5, and 13-3, to win three out of five games and the playoffs.

Although they lost the playoffs, this is no reflection on the playing ability of the Collegians. The spunk and determination of the Collegians won for them the praise of all those who saw them in action. The spirit of co-operation and camaraderie shown between the old rivals, St. Dunstan's and Prince of Wales, in the amalgamation of teams reflects much credit on the students of both institutions.

Line-up:

Goal: J. Proude, Defence: A.J. MacAdam, M. Hennessey, A. Macdonald. Forwards: C. Nicolle, W. Robertson, E. Blanchard, B. MacDougall, S. Larue, L. Richard, G. Quigley, W. Murphy, Irvine.

INTRAMURAL HOCKEY

St. Dunstan's Intramural hockey players enjoyed a long, game-laden season. Manager George Smith had four sections run off without a hitch. The league made up of four evenly matched teams, Red Wings, Hawks, Rangers, and Canadiens, furnished many a thrill for the spectators. In the semi-finals, a two-game total goal arrangement, the Hawks won the first 2-0. In the second the Rangers won 3-0, thus winning the round 3-2. In the finals the Red Wings led by the rugged wingman, Dimps Dunphy, won the first game 3-2 and the second 5-1, thus capturing the trophy.

SOFTBALL

The early disappearance of old man winter gave softball a longer season than usual. At the time of writing, Manager Mike Hennessey has already completed one section of the league schedule and he predicts that there will be at least four more sections before the playoffs start. The league is made up of four teams, two teams from Dalton Hall, the Pirates and the Cardinals; and two teams from High School, the Giants and the Dodgers.

An added attraction in the sports field at S.D.U. is baseball. For the past few years baseball has not been played at the College. However, this year a renewed interest has been taken in this fine old sport, and the Manager of Softball, Mike Hennessey, plans on organizing a three-team baseball league.

BASKETBALL

The annual basketball series between P.W.C. and S.D.U. was won by the well-balanced Prince of Wales squad. P.W.C. won the first two games in a best-of-three series by scores of 37-21 and 27-21. Deserving special mention on the Saints' team is young Clem Thorne who placed third in the list of high scorers in the City Hoop League. He gained a total of 183 points, just three points behind the runner-up.

In the league between St. Dunstan's second basketball team and Prince of Wales second basketball team, the second Saints came out on top with two straight victories.

Rev. W.J. MacGuigan, coach of Saint's basketball team, has selected the following All-Star team from teams of the past five years: Guards: P.J. Sharkey, '44, J. Chisholm, '41; Forwards, C. Thorne, '45, J.F. Murray, '44, F. O'Neil, '44.

This year's basketball team is as follows: C. Thorne, D. Burge, J. Bradley, M. Hennessey, J.J. Macdonald, E. Cameron, O. Mullin, A.J. MacAdam.

The second basketball team: J. Dunn, E. Smith, C. Roche, R. Carmichael, L. Macdonald, J.E. Green, H. Dunphy.

* * * * *

The following Athletic "D's" have been awarded: Silver "D", Mike Hennessey. Mike won his "D's" in Football, Basketball, and Hockey.

At a recent meeting of the Athletic Association, the following Officers were elected for next year: President, Jim Morris; Vice-President, J. E. Green; Secretary, Charles Holland; Manager of Track, Owen Mullin; Manager of Football, Harold Dunphy; Manager of Hockey, Claude Shea; Manager of Basketball, Brighton MacDougall; Manager of Baseball, Desmond Burge; Manager of Volleyball and Tennis, Francis Corcoran; Manager of Rink, George Smith; High School Representative, Fred Whalen.

NONSENSE AVENUE

Vernie MacDonald was up for a drive with a test pilot. The plane went into a tailspin and it was not until the plane was about to hit the ground that the pilot was able to bring it out. He turned to "Tusk" and said: "I'll bet that 50% of the people down there thought we were going to be killed that time."

"Yes sir!" replied Tusk, "and 50% of the people up here thought so too."

One skeleton to another, in a BI. Lab.: "Say, if we had any nerve at all we'd get outa this joint."

* * * * *

The Murray Harbour train is sporting a cow-catcher at both ends these days. One is to protect the cows in case they should be struck by the speeding train and the other is to protect the train in case it should be struck by a speeding cow.

* * * * *

For the last couple of weeks, ever since the executive of the Athletic Association was appointed, Porky has been singing this little ditty.

I've held no few big honors
But this one tops them all,—
Since I have been elected
As Mr Basketball.

The other lads all brag about
The sport they supervise,
But Manager of Basketball
Is the A-1 Special prize.
