

College Chronicle

There is a feeling of winter in the air here on St. Dunstan's campus. The autumn season is drawing rapidly to a close; and this reminds us that the Holy Year is also drawing to a close. During the college year the beautiful Holy Year prayer, which was composed by the Holy Father himself, has been recited in unison each day by the student body. It is our hope that it may play a small part in "making men responsible to the voice of the Son" and, as a result, in bringing peace and happiness to the turbulent world of today.

Except for the absence of Mr. John Eldon Green, B.Sc., M.S.W., there are no changes in the college staff from last year. Mr. Green, who conducted a course in Social Philosophy here last year, has accepted a position in the Family Allowance Department of the Welfare Bureau. A new course, dealing with the history of Philosophy, has been added to the curriculum this year. It is being conducted by Rev. L. W. Landrigan.

NEW STRUCTURES

St. Dunstan's is really expanding as far as buildings are concerned. The new building, on which construction was begun little more than a year ago, is almost completed. There is still some more work to be done on the Chapel, but it is expected that it will be ready within a month. The refectory and other parts of the new building have been in use since the opening of College in the fall.

The new central heating unit is also in operation. It proves to be much superior to the old heating system. The erection of the gymnasium is progressing quite favorably. All up-to-date information on this project is treated thoroughly in the Alumni Bulletin. The two new farm buildings, are in stages of completion. This winter will see them in use.

The Students

STUDENT ACTIVITIES

The Students' Union, the chief governing body of student activities on the campus, is functioning quite efficiently. Several new projects have already been proposed, and some have even been realized. Among the latter has been the procuring of a new site for the canteen. It is now located in the room adjoining the book-store. This room is much larger than the old one, and, consequently, makes for better service. A frigidaire has also been provided. The manager, Mr. St. Clair Gallant, reports a thriving business.

In former years the written constitutions of the different societies on the campus have been placed in separate pamphlets. This year the Students' Union has decided to amalgamate them all into a single handbook. It is expected that this handbook will be in print in the very near future, and will be made available to every student. This will give the students a chance of becoming better acquainted with the government and aims of the various societies.

Another project which the Students' Union has undertaken consists in the setting up of an Employment Agency on the Campus. The need for such an Agency is quite apparent. Its aims will be to provide both summer and permanent employment for the students. A committee has been appointed to look into the matter. It is hoped that the Agency will be in operation in a very short time.

Standardization is a much discussed topic at Student Body and Student Executive meetings. An attempt is being made this year to standardize all crests, rings, uniforms, etc. The question, however, is still under discussion, and it will be a while yet before it will be ironed out completely.

The officers of the Students' Union this year are: President—Charles Gorman; Vice-President, George Cameron; Secretary-Treasurer, Ernest MacDonald. The remaining members of the Executive are the class Representatives, the Secretaries of the various societies, and a Faculty Advisor. Class Representatives are as follows: Senior—Leonard O'Hanley; Junior—Dominic MacDonald; Sophomore—John Mullally; Freshman—Eugene Sullivan; High School—Reginald MacLellan. Secretaries of the societies are—AAA—Stanislaus Mooney; M.I.D.L.—Lawrence Glover; Glee Club—Guy Germain; **Red and White**—Mark MacGuigan; Dramatic Society—Margaret Mulligan; I.S.S.—Irene Burge; C.C.S.M.C.—Joseph Mullally; Sigma Delta Sorority—Katherine Roche; Faculty Advisor—Rev. J. P. E. O'Hanley.

The A.A.A. (Amateur Athletic Association) is the society which promotes and organizes sports on the campus. The activities of this society are treated in this magazine by the Athletic Editor. The Executive of the A.A.A. are: President—Reginald Doucette; Vice-President—Walter Reid; Secretary—Stan Mooney; Manager of football—William McNeely; hockey—James Saunders; basketball—John Mullally; pool and softball—Ralph McQuaid; Track and field—Earl MacKinnon; Rink—James Larkin; handball, volleyball, and ping-pong—Earl Smith; Faculty-Advisor—Rev. W. J. McGuigan.

The M.I.D.L. (Maritime Intercollegiate Debating League) is once again under the guidance of Rev. F. L. Cass. This is a society which has set high standards for itself in past years; especially last year when its debators came so close to winning the Dominion Championship. It is hoped that its efforts will be so marked with success this year.

Three debates are scheduled for the coming year, one before and two after Christmas. In the first one, St. Dunstan's will meet King's College at Halifax: Mark MacGuigan and George Keefe will be the team representing St. Dunstan's in this debate. The two after Christmas will see our debators facing teams from St. Mary's College and Acadia University. The former will take place in Charlottetown, the latter at Acadia. The Executive this year are as follows: President—John Cash; Vice-President—Regis Duffy; Secretary—Lawrence Glover; Councillors—Mark MacGuigan and John Mullally; Faculty-Advisor—Rev. F. L. Cass.

We have not yet seen the Glee-Club perform. Nevertheless, they are holding regular practices and will very probably put on a program of entertainment for the patients at the Provincial Sanatorium. Members of the Executive are: President—Jerryldine Robertson; Vice-President—Bethany MacDonald; Secretary—Guy Germain; Faculty Advisor—Rev. L. W. Landrigan.

Another drama festival is being sponsored this year by the Dramatic Society. The one last year was a big success, and it is expected that this one will be on an equal or superior standing. A three act play is also being prepared: it will be presented around the last of November. The following are the members of the Executive of the Dramatic Society: President—Cody Myers; Vice-President—David Kennedy; Secretary—Margaret Mulligan; Councillors—Mark McQuaid, John Weir, and John B. Fisher; Faculty-Advisor—Rev. E. J. Roche.

Once again the I.S.S. (International Student's Service) has been instrumental in bringing a displaced person to our campus. Last year we had Alois Sliva who is at present teaching at St. Thomas University. This year we have a co-ed, a Czechoslovakian in the person of Kristina Moy-siyakha. **Red and White** takes this opportunity of welcoming Kristina to St. Dunstan's and hopes that her stay with us will be a pleasant and a profitable one. On Sept. 27 Mark MacGuigan, St. Dunstan's representative at the Seminar held in France last summer and sponsored by I.S.S., gave a report on the activities of the Seminar. He stressed the significance of it in bringing about understanding between different peoples.

At a meeting of I.S.S. held in Kingston, Ontario from October 22-24 the Faculty-Advisor of our unit, Rev. J. P. E. O'Hanley, was chosen as Faculty-Advisor for all Maritime Colleges and Universities. **Red and White** extends congratulations to Father O'Hanley on his appointment.

The Executive of I.S.S. this year are: President—Wilbert McInnis; Vice-President—William McNeely; Secretary—Irene Burge; Councillors—Mark MacGuigan, Edwin MacDonald, John Weir, Mary Johnson, Helen McInnis, David MacCormack and Don MacPhee.

Helping the Missions is a necessary and a charitable work. This task at St. Dunstan's falls on the C.C.S.M.C. (Canadian Catholic Student's Mission Crusade.) Last year our unit saw its efforts rewarded in the ordination of a native African to the Priesthood. Through prayers, and financial assistance, the C.C.S.M.C. hopes to be able to do the same in future years. The Executive of this society are as follows: President—Murvin McInnis; Vice-President—Leland Curley; Secretary—Joseph Mullally; Councillors—Eugene Sullivan and Thomas McGaugh; Faculty-Advisor—Rev. Owen Sharkey.

The Sigma Delta Upsilon Sorority is the co-ed's society on the campus. The President this year is Katherine Roche, Vice-President—Bethany MacDonald, and the Secretary is Irene Burge. Rev. J. P. E. O'Hanley is the Faculty-Advisor.

AN INTERESTING VISITOR

On October 24 St. Dunstan's was privileged in welcoming an eminent visitor in the person of Mr. Seumas McManus, Irish writer and story-teller. Mr. McManus gave a very interesting demonstration of the almost extinct art

of story-telling. His mastery of the art and his Irish wit provided two hours of the most enjoyable listening. Moreover, he has given us an appreciation of the inspiration to be found in a story that is well told, and of the beauty and simplicity of Irish folklore.

BRIEF NOTES ON THE GRADUATES OF '50

Five of last year's graduation class are studying for the Holy Priesthood: Francis Cameron is in Holy Heart Seminary in Halifax; Lorne MacDonald and Daniel Driscoll are with the Oblates in Arnprior, Ontario; Rupert MacLellan is at St. Augustine's Seminary, Toronto, and Austin Johnston is with the Jesuits at Guelph, Ontario.

Kenneth Donnelly, Hugh MacPhee, and Gerard Fisher are employed in Toronto.

Joseph Mahar and Michael Hennessey are both sub-lieutenants in the R.C.N. **Red and White** takes this opportunity of congratulating Mike on his recent marriage.

Three members of the class have taken up the teaching profession: Ivan Dowling is teaching at Prince of Wales College, Gerard MacAuley at Little Harbour School and Margaret Green is teaching in Okanagan Indian School in Vernon, B. C.

Many of the class are taking post-graduate courses at various Universities. Wendell MacIntyre is taking English at Ottawa University. Eugene MacDonald, Mary O'Shea, and Charles Kelly are also at Ottawa University: Eugene and Mary are pursuing social work, and Charlie is taking a course in Education. Allister MacIsaac and Thomas O'Connor are also taking courses in Education: Allister is at St. F.X., and Tommy is at the University of Boston.
