Neil A. Nolan '25 has accepted an important position with the New England Telephone Co. in Boston.

John S. Lambert is working in his father's office Three Rivers, P. Q.

NECROLOGY

To the family of Basil Gorman in South Melville we desire to express our sincere sympathy. Basil graduated from St. Dunstan's with the class of 1914. His record while a student here was an enviable one. At the outbreak of the World War he enlisted in the 55th Battalion. At the Battle of Ypres he was severely wounded. Upon recovery he again went to the front with the 85th Highlanders with which unit he remained until the Armistice was signed. After returning home he matriculated at Queen's University, Kingston, Ontario for the study of mining engineering. A favorable opportunity with his profession made him go to British Columbia where he remained until his sad bereavement. That God saw fit to take such a promising character to Himself we are reconciled. We recommend his soul to the prayers of our friends.
