

"St. Dunstan's" is perhaps even a bit more sportminded than the average University, they know that better men have had a background of not only education, but athletics as well; they develop the spirit and the body as well as the mind.

Our policy at Smallman's is similiar in another respect. We fit you with clothing that has the ever neat appearance that young men with young ideas demand. In that clothing you'll find materials tailored, needled and stitched to perfection to give you ease, sturdiness, durability, as well as smart appearance.

You'll find that here at Smallman's we have the clothing you desire, as well as require, in a selection that you'll find hard to duplicate anywhere.
