

—The Seniors—

PIERRE ANDRE BISSONNETTE

"Vir bonus dicendi peritus."

On December 23, 1924, the Bissonnette family of Montreal received a Christmas present in the person of an intelligent-eyed infant whom they called Andre.

Andy led a quiet and uneventful life until he was six years of age at which time he entered St. F.X. school in Montreal where his interest in skiing and swimming, and his accomplishments in these sports made him very popular with his young comrades. After leaving school he enrolled at Montreal College and studied there until the end of Junior year. Being an accomplished public speaker, and having an interest in law and politics, Andy decided to come to St. Dunstan's to learn English and to receive his B.A. degree. His goal is international diplomacy, and with his smooth tongue and charming personality we do not doubt but that he will attain it.

Bonne Chance, Andy.

—J. J. M., '46

CYRILLE BROUSSEAU

Cyrille was born at Louiseville, P.Q., on July 13, 1924 and received his early education at the College de Louiseville. Later he studied at the Seminaire des Trois-Rivieres where he completed his Junior year. In September, 1944, he came to St. Dunstan's College to further his knowledge of English and to complete his Arts course.

He is a diligent worker, a keen sport, and a likeable friend. He owes his success to the fact that he sticks to what he is doing until that particular thing has been accomplished.

He takes part in many sports, but he is particularly a hockey enthusiast, being one of the high scorers in the Intermural Hockey League. He appreciates good music, and his favourite amusements are dancing, skating, and swimming.

He intends to take up Mining Engineering at Laval University next year, and we feel sure that Cyrille's natural industry will lead him to success.

Best of luck, Cyrille.

—P. J. B., '47

LOUIS FRANCIS BURGE

"Young in Limbs, in Judgement Old."

Born at St. Peter's Bay on April 24, 1925, Frank received his primary education there and came to us as a Grade XI student in 1939.

Endowed with wisdom and a sufficient scattering of wit, Frank has been a pleasing comrade to all with whom he came in contact during his six-year stay here. This year he has capably filled the office of Business Manager for *Red & White*. Allergic to the usual forms of physical exercise, he spent most of his leisure hours assisting in the Chem Lab.

Next year he intends to enter McGill University as a student in First Year Medicine. In this and all his future undertakings we wish him every success. So long, Frank.

—F. E. C., '46

GEORGE ALBERT DAIGLE

"In every deed of mischief he had a heart to resolve, a head to continue, and a hand to execute."

Born at Saint Croix, Quebec, March 16, 1923, George was educated at the College of Saint Croix of Lotbiniere, the Seminary of Quebec, and the Seminary of Three Rivers. His desire to broaden his education and to perfect his English brought him to St. Dunstan's in September of 1944.

Behind his friendly and quiet exterior is a keen sense of perception, a fund of good sense, and an iron will. In addition to perfecting his knowledge in English and maintaining a high standing in his class, he has been a valuable member of the Glee Club and of the Choir.

Next year George intends to enter Laval University to study medicine. We wish him every success in his future endeavours.

—H. M. D., '47

FERNAND RÉAL GROLEAU

"Non ignora mali miseris succurrere disco."—Virgilius

Fernand was born at St. Thècle, Province of Quebec, on March 18, 1923. In 1936, having finished his primary studies at his parish school, he went to the College des Tières du Sacre-Coeur at Vicotriaville. The following year he began his classical studies at the Séminaire des Trois Rivières. In September, 1944, he came to St. Dunstan's.

Fernand, better known as Jim, is a small bit of a man, lively, fond of dancing, and experienced in radio installations. He hates mathematics; this is why we shall probably find him studying medicine at Laval University next year.

Bonne chance et au plaisir de te revoir bientôt.

—B. P., '46

ROBERT BARON LAFRENIERE

"I am a part of all that I have met"—Tennyson.

Born in Maskinongé, Quebec, on March 7, 1924, Robert received his primary education at his parish school. He began his classical studies in the Juniorate du Sacré-Coeur in Ottawa. Robert stayed there for two years and from there he went to Séminaire de Trois-Rivières. This year Robert came to St. Dunstan's to learn English and complete the arts course.

A lover of music and a good singer, he has been a valued member of the College choir and of the Glee Club.

The many friends he has made at St. Dunstan's wish him success as he enters a new phase of his career at the Law School of the University of Montreal. Bon voyage, Bob.

—H. J. S., '46

JEAN JACQUES MARINEAU

Un cour gai vit longtemps.

Jean Jacques, better known as Meno, came to us from St Adelphe, Quebec, in September, 1944.

A typical French Canadian, with his ready wit and hearty laugh, he soon won the friendship of many of the students.

During the twenty odd years of his life Jacques has travelled much. He studied at College St Adelphe, College Sarahphique, and then spent eight years at Seminaire de Trois Rivières.

While at St Dunstan's he has made most of his opportunities. He was a worthy member of our College Choir and Glee Club. Most of his recreations he spent talking about pulling teeth. He intends to study dentistry at the University of Montreal next year and in this we wish him success.

Bonne chance, Meno.

—R. G., '46

VINCENT GERALD MURNAGHAN

Vince received his rudimentary education at his home school at Tarantum, studied for one year at P.W.C., and in Sept 1940 registered at S.D.U. as a Grade XII student.

During his five years with us he proved himself to be a student of good ability and always a popular member of the student body. In extracurricular activities Vince played a full part also. He served on the *Red and White* staff, and in his senior year ascended to the Presidency of the S.D.U.A. A.A., a position which he capably filled. For the past two years he served as Cadet Instructor, and this year, after qualifying at S-3-C.S.A.S., Long Branch, acted as Sgt. Instructor in weapons in the C.O.T.C.

The fact that he is chosen as Valedictorian bespeaks the regard in which he is held by his class.

Vince has always had the faculty of keeping everyone guessing and so we have no clue to his future calling; but knowing him as we do, we have no fear for his future success in whatever life work he enters upon.

Good-bye, "Twisty" and the best of luck.

—G. T. S., '46

PETER CLETUS MURPHY

"His worth and skill exempt him from the throng"

"Murph", as he is called by his fellow students, was born at Millvale on June 29, 1918. He received his early education there and later attended Prince of Wales College.

For four years he devoted himself to teaching but his great ambition was to obtain a higher learning.

Since his arrival here he has distinguished himself in every phase of College life. He was president of his class in 1942-43 and 1943-44. Being a valuable member of the *Red and White* staff ever since he entered the portals of Saint Dunstan's, he was duly elected Editor-in-Chief. Besides fulfilling his duties as president of the S.D.C. Glee Club, Cletus has been a faithful worker on the executives of the St. Thomas Public Speaking Class and the C.F.C.C.S.

During his short stay with us, Murph, with his pleasing disposition, has earned him a host of friends who join in wishing him every success. Good Luck, Cletus.

—C. F. M., '47

WALTER CLEMENT MURRAY

*"In him the grave and playful mixed
And wisdom held with folly truce,
And nature compromised bewixt
Good fellow and recluse."*

Walter was born in Charlottetown where he received his primary education at Queen Square School. He entered Prince of Wales College and, after receiving his first class teacher's license there, came to St. Dunstan's as a Freshman in 1941.

While applying himself diligently to the work required by his studies, Walter did not neglect the extra curricular activities connected with college life. He was Secretary of the Students' Council and of the Senior class during the past year, and a member of the executive of both the C.F.C.C.S., and C.C.S.M.C. He was also a member of the *Red and White* staff for two years.

His personality and keen sense of humour have won for him a host of friends who wish him the best of luck in whatever his future labours lie. We are confident that, with his character and ability, he will make a success of his life.

—F. W. B., '47

ALBAN JOSEPH MacADAM

*"He is what he is—what better report—
A man, a student, a friend, a sport."*

Born at Morell in 1920, and receiving his early education there, A.J. came to St. Dunstan's in 1938. This rugged youth was soon to make a name for himself in every phase of college life. It was in athletics, however, that he excelled. One of the greatest athletes who ever wore the Red and White colors, he is St. Dunstan's only four-letter man. Playing forward on the Varsity football team, '40-'44, A.J. has scored many a try. He was captain of the team '42-'44; played defence on the hockey team '42-'45; all-star defenceman '43-'44, and '45; basketball team '41-'44; track '40-'44. He was the best all-around senior athlete in '42 and '44. Yet with all these athletic activities he found time for other things—A.A.A. executive '42-'43; class president '44-'45; president of Students' Council '44-'45; president of debating society '43-'44. Possessed of a shy disposition, he is a real favorite among his classmates, who appointed him life president this year. Studies also received their due share of attention, and this year A.J. graduates with his B. Sc. degree. A.J. will go the way that many others have gone and we know that, embodying as he does all the traditions of his Alma Mater, he will achieve great success.

—T. M. M., '46

AUSTIN JOSEPH McKENNA

*"Thrice happy he, who by some shady grove,
Far from the clamorous world doth live his own,
Thou solitaire, yet who is not alone,
But doth converse with that eternal love."*

—WILLIAM DRUMMOND

February 19, 1921, was a memorable day in the history of Central Bedeque, P.E.I. On this day Austin was born.

His early youth is rather obscure to us, but when he came to St. Dunstan's in 1939, his worth soon became evident. He proved his executive ability in the Athletic Association for two years and in the Mission Crusade for one year. Austie was also a member of the College Choir and the Glee Club. This year he is vice-president of his class.

Yes, Austie, this is a great event in your life. Remember it always. Remember Old St. Dunstan's and all the friends who join in wishing you the best of success in your future undertakings.

—R. G., '46

RAYMOND SAVOIE

*"True wit is nature to advantage dressed,
What oft was thought, but ne'er so well expressed."*

—POPE

Raymond was born in Louiseville, Quebec, January 12, 1924. After spending four years at St. Joseph College, Maskinonge, and three at St. Louis de Gonzague College, Louiseville, he entered St. Joseph Seminary, Trois Rivieres, where he remained seven years. Having completed Junior year there, he remained seven years. Having completed Junior year there, Course, and to increase his knowledge of the English language.

Although Raymond has been with us for one year only, his ready wit and friendly disposition have won him a lot of friends. He has been keenly interested in College activities and has been a valuable member of the College Choir.

Next year he intends to study Medicine at Laval University, Quebec. We are sure he will succeed in his chosen field, and in parting we wish him "God-speed."

—E. J. L., '46

JOHN PHILIP STEELE

*"Born for success he seemed
With grace to win, with heart to hold.
With shining gifts that look all eyes."*

Philip was born in Charlottetown a little over twenty one years ago. He received his early education at Queen Square School.

During his years stay at St. Dunstan's we have seen many examples of his versatility. In his studies he has always been among the leaders of his class, giving ample proof that he was a worthy recipient of the Brennan scholarship which he was awarded on the basis of his matriculation exams from Q.S.S.

He has held office in the different debating societies, was Chronicle Editor of *Red and White* during 1943. Philip took a keen interest in sports and was a member of the senior hockey team and intermediate football team.

Having a deep interest in all college activities, he maintained a proper balance between work and play.

Armed with a B. Sc. degree, Philip intends to pursue the field of medicine; surely with intelligence and character such as he possesses we can feel assured that success will be his.

Au revoir, Philip! You have the good wishes of your many friends.

— J. H. M., '46

ROMEO ROSS VEZINA

Born at Matane, P.Q., July 13, 1925, Romeo spent much of early life at Trois Rivieres whence he came to us on the completion of his Junior Year at the Seminaire de Trois Rivieres. We had previously made his acquaintance through the pages of the Magazine *S. T. R.* of which Romeo was a co-founder and the first editor. On his arrival at St. Dunstan's he was made a member of the staff of *Red and White*. Keenly interested in scouting, he has, during his brief stay with us, organized a Rover Scout Crew which has been a success.

Next year Romeo will study Higher Commercial Studies at the University of Montreal. We all wish him the best of luck in his future undertakings.

—H. J. S., '46
