

... ATHLETICS ...

In the two previous issues of Red and White we have followed the fortunes of our athletes on the football field and bepraised their efforts on the glacial arena and now we wish to add a brief word in reference to their conduct on the baseball diamond.

The baseball season, always short for the boys of the Red and White, was, this year, owing to the cold, late spring, even shorter than usual and it is to be regretted that our team have not yet had an opportunity of trying conclusions with any of their former rivals. Several good practise games were played on the college campus in which our boys gave evidence of their ability to uphold the honors of "Old St. Dunstan's" on the diamond. A game was to have been played with the Independents of Summerside, on St. Dunstan's day, May 19th, but, as the day proved unfavourable, the project had to be abandoned. It is understood that Captain Conway has made arrangements for a game with the Connaughts to be played on Thursday, May 27th.

The following comprise the Saint's team :

Catcher	R. St. John
Pitcher	Chas. Trainor
First base	C. Cahill
Second base	A. McDonald
Short stop	J. McIntyre
Left field	C. Conway (Capt.)
Centre field	E. Cahill
Right field	H. Murphy
Spare	E. Kelly

No true and permanent fame can be founded except in labors which promote the happiness of mankind.
