

Sailing Goes Varsity

On Thanksgiving weekend, Dalhousie University will play host to the Maritime Intercollegiate Sailing Tournament at the Royal Yatch Squadron in Halifax. Various collegiate teams will compete for top honors in 14 ft. Flying Juniors

The highspirited S. D. U. Sailing Club now consists of almost 30 members. From the club a two-man varsity crew (plus one alternative) will be selected. Practices and tryouts are being held at the C h a r lottetown Harbour throughout this week (Oct. 2-6).

The S.D.U. Sailing Club, now in its second year, is under the leadership of Rev. J. R. Kelly. Those participating find the sport both exciting and challenging. The objective of the program is to promote the art of sailing for both competitive and recreational purposes. Father Kelly assures us that it's a keen outdoor sport with world-wide popularity, "requiring a degree of team work, individual

judgement, and quick reflexes, that few other sports can boast."

The club holds its runs on the Charlottetown Harbour. It now possesses the 30 ft. schooner "Molly B." plus a 17½ ft. sloop, and also has use of three Flying Juniors. Over the winter months, this number should be increased by the addition of one or two racing-type crafts.

The assistance of the CYC, (Charlottetown Yacht Club) should be noted. Their generosity has made the sport a successful venture for those involved. Mr. Clive Stewart, a Commodore of CYC and Professor of Geology at S.D.U., has given much time and effort to developing the program. Other members of the staff have also given much assistance.

Special thanks must go to Father Kelly, who is the spirit and backbone of the club. We all wish Father Kelly and his crew the best of luck at Halifax.

COME BLOW YOUR HORN!

What promises to be a big year in campus music was initiated on Thursday, Sept. 21, when old and new students gathered at the new music department headquarters to learn of this year's activities. The Music Department, under the capable direction of Mr. Hubert Tersteeg, is now housed in newly renovated quarters in the basement of the Alumni Gymnasium

From a modest beginning two years ago with eighteen members, the Glee Club now comprises fifty girls and seventeen boys. Among these are a goodly number of new students.

The S.D.U. Band has suffered seriously from a loss of many of its members through graduation especially, but also through transfers to other universities. To date their are eighteen members in the band, some of whom are new members. There are still a number of band instruments available for anyone who wishes to develop any hidden talents. If you would like to play a trumpet or a sax or any other instrument, just contact Mr. Tersteeg.

The year's program, as it

The Drama Society has,

through the years, establish-

ed a fine reputation, and has

often won top honours in the

Regional Dominion Drama Festival. Besides one major

production this year, a series

of workshops have been plan-

ned to train interested stud-

ents in acting, directing, de-

signing, stage - managing,

lighting, make-up, and costume design. All this, it is hoped, will lead eventually to

the establishments of an ac-

credited department of drama

Anyone who is interested in

any of the many facets of theatre arts is welcome to be-

come a member of the soc-

iety. All you need to do is

show up at a meeting and

bring your body and any na-

tive talent you may possess.

This includes students and

faculty. Just watch the bul-

letin boards for the time and

place of the next meeting.

at S.D.U.

last year's most successful Centennial Revue. This year the Music Department is presenting some native talent with the presentations of a called What In Heaven's Name, written by two S.D.U. students, Tom Gallant and Rick Hancox. This is a two act musical with many songs and dances. It is tentatively scheduled for late January or early February.

Also on the agenda for this year is a Christmas concert presented by the Glee Club, Band, and Soloists. This will be the main attraction for the first semester.

There are two other features to be offered by the Music Department. They are music appreciation and music theory. The music appreciation course will be held in the amphitheatre at a time to be decided later. The music theory course will be designed to give everyone a knowledge of musical theory so as to enable them to have a working knowledge of music. Both are non-credit courses. Dates and times will be arranged by Mr. Tersteeg.

The cheerleaders this year are under the capable direction of Mrs. Barb Conley. She will be training them but they will remain part of the music scene.

So this year shapes up as a good year musically. Enthusiasm is running high. Membership is still open for the Band. Come and join! Give your school and colleagues the benefit of your talent and have lots of fun while you're at it. See you in the Culture

- DRAMA -

One of the most vital and exciting art forms in Canada is the theatre. New theatre companies are being formed every day and new theatre complexes are being built all over the nation. Almost every major Canadian university offers degrees in drama. Not to be outdone, S.D.U. takes part in this rebirth of theatre through the efforts of the S.D.U. Drama Society.

Watson Screams Revolt

OTTAWA (CUP) — Patrick Watson last week (Sept. 15) urged Carleton U. freshmen to revolt against the administration and faculty.

Watson, who co-hosted the controversial "Seven Days" TV show with Laurier Lapierre, told 500 first-year students to work through their students association to gain a bigger say in the administration of their university.

"You can convert the next four years of drudgery into a social and intellectual adventure if you act now", he said.

He said the university is a learning situation and not a training school.

He attacked professors who lazily believe that to impart knowledge all they need to do is stand up in front of a class full of students and give the same lecture they gave last year.

The time is gone when student government's major role was organizing dances and football games. "Now they are working for political reform within the university", he said.
