## ATHLETICS

If success in sport is judged by the number of championships won and the number of headlines made, then St. Dunstan's, in the second semester, has not made much of itself. The hockey team was easily eliminated in intercollegiate play by St. Thomas and, as RED and WHITE went to the printers, the only hope we had of salvaging some acclaim was in basketball.

If, however, success can be measured by the number who participate actively in athletics, either extra-murally or intra-murally, and by the number who really got a lot of good clean fun out of it, then St. Dunstan's had another very successful year. Basketball and hockey are acknowledged by all as the most popular sports during the winter season. This year was no exception. By the time the ice has disappeared from the rink, hockey is a memory and basketball is on the way out. That means it is softball time. And here we take a moment to pay tribute to this sport which does not get too much publicity, mainly because it is confined to the campus. Two leagues function every year and a large majority of the students play in them. The leagues themselves, because they usually are made up of evenly matched teams, create much interest and frindly rivalry. Moreover, the warm spring days seem to rejuvenate the students after a winter where athletics meant scurrying to and from the rink. The happiness at being able to play outdoors again results in the softball players putting all their energies into it.

### HOCKEY

This year the senior Saints had to content themselves with playing exhibition games in addition to two intercollegiate games. With no Island League in operation, the Saints did not have a good opportunity to prepare themselves for their intercollegiate series with St. Thomas. Although they had a poor season, we know that the members of the team did their best and for this we are proud of them.

The lineup of our senior team is as follows: Goal: Ken MacDonald and Eugene Sullivan; defence: Jim Ayers, Phil Coyle, Tom Pendergast and Maurice Martin; forwards: Wildor Houde (captain), Guy Chretien, Louis Shreenan, Stan Deighan, Cliff Bernard, Claude Callaghan, Maurice

Flynn, Warren MacRae, Viateur Gauthier; Maanger: Jim Saunders; Coaches: Rev. G. A. Macdonald and A. J. MacAdam.

Following is a summary of the games played since the last issue of RED and WHITE.

#### SAINTS 5

#### ST. THOMAS 11

In the second game of the total goal series with St. Thomas, the Saints were no match for the smooth working visitors. The Saints showed lack of experience and were completely outplayed by the New Brunswickers. St. Thomas won the two game series by the total score of 16-9.

#### SAINTS 6

#### JUNIOR ABBIES 4

In a fast, clean, hard fought game, played in the College rink, the Saints defeated the team that later went on to win the Maritime Junior "B" Championship. "Rusty" Callaghan, with two goals, was high scorer for the Saints.

#### SAINTS 17

#### O'LEARY 6

Led by Guy Chretien and Cliff Bernard, the Saints easily defeated an under-strengthened O'Leary team in a game played in O'Leary. The scoring for the Saints was divided among nine players with Bernard and Chretien scoring four goals each.

### INTRAMURAL HOCKEY

The Intramural League was one of the most keenly contested in many years. The Sophomores, Juniors, and Grades X and XI ended in a three way tie for first place, and Freshmen finished fourth to make the other playoff berth.

In the semi-finals, the surprising Juniors lost out to the favored Sophomores after a hard fought two game series. Grades X and XI defeated the Freshman for the right to enter the finals. The Sophomores won the championship by winning the last two games of a three game series from a weakened team from Grades X and XI.

The lineup of the champions includes:— Goal: E. MacDonald; defence: R. Duffy, R. McIver, F. Driscoll, C. Callaghan; forwards: P. Dunphy (captain), A. Murphy, John Mullally, Joe Mullally, C. Cheverie, R. Delage, and C. Kennedy.

### JUVENILE HOCKEY

The Juvenile League was brought to an abrupt end, due to the lack of ice, after each team had played only four games. All the playoff games were sudden death

ones. The winners of Juvenile championship were from the Junior class and the name of the team was the Wry-Neckers. The lineup included: Goal: S. Mooney; defence, D. Kennedy, W. Reid, E. MacKinnon; forwards: D. MacNeill (captain), J. Saunders, M. MacMillan, C. MacDonald, G. LaBel, J. Clinton.

### BASKETBALL

The Island Basketball League schedule has been completed and the Saints finished in a tie for first place with Prince of Wales College. They won eight of their ten scheduled games. Both losses were suffered at the hands of the rival college. Besides participating in the Island League, the Saints journeyed to New Brunswick where they won one and lost one in two exhibition games. In Saint John, they were defeated by one of the leading junior teams of that city, but at St. Joseph's University, they trimmed the New Brunswick students.

Here are brief summaries of the games played since the last edition of RED and WHITE.

#### I. P. F. B. L. GAMES

SAINTS 48

P.W.C. 52

This was a fast, hard fought game that saw both teams hold the lead many times. It was the first defeat of the season suffered by the Saints, and the first in three years at the hands of the Welshmen.

SAINTS 98

Y. M. C. A. 58

The Saints came from behind an early lead gained by a fast breaking Y.M.C.A. team, and then continued on at a fast pace to really outclass their opponents. The 98 points rolled up by the Saints was one of the highest totals of the season.

SAINTS 87

R. C. A. F. 63

Once again the Saints showed their skill on the basketball court by trimming the highly rated R.C.A.F. team. The victory consolidated the Saints' hold on the league lead.

SAINTS 49

P. W. C. 69

For the second time in as many meetings, the P. W. C. basketballers defeated the Saints. The Saints were behind by 23 points at half time but outscored the winners in the second half.

SAINTS 103

SCHURMAN'S 64

This was a game which featured beautiful passing plays and which saw the Saints roll up the highest score of the season. It was the almost unbelievable accuracy of the Saints' shooting which enabled them to score the extra big total.

**EXHIBITION GAMES****SAINTS 54****ST. JOHN JUNIORS 53**

The 23rd Heavy A. A. Regiment Juniors of Saint John defeated the Saints in a closely contested game played in Saint John. A six point lead at half time gave the home team its margin of victory.

In the semi-finals, the Freshmen were eliminated by the Seniors and the Sophomores were victorious over the Juniors. A determined group of Seniors clashed with the Sophomores in the finals but, after one of the hardest fought series in years, the Sophomores were intramural champions for the second successive season. The lineup of the champions includes: F. Driscoll (captain), A. Murphy, J. O'Brien, J. Clarkin, John Mullally, F. MacGaugh.
