
The Funny Man

You're all through with your plugging and cramming,
And with list'ning to this and to that,
And with wishing exams were all over
So that you could go home for a nap.
So relax now and give your attention,
To the jokes that are chronicled here,
So that when you are through you will murmur
"Gee, it hasn't been such a tough year."

Dapper in restaurant: "Hey there, waiter!"
Waiter: "Yes, sir, how'll you have it?"

Gus: "So you're not going to marry that school-teacher?"

Chris: "I'll say not. The other night I had a date and unfortunately I couldn't show up, and she wanted me to bring a written excuse from my parents."

Prof: "Give me an example of a domestic animal?"
Willie D: "A dog."

Prof: "Correct, sir. Now can you give me an example of another domestic animal?"

Willie D: "Certainly, another dog."

Barber: "Haven't I shaved you before?"

Art: "No, I got those scars playing hockey."

Calf: "Now what would you do if you were in my shoes?"

Mugsy: "Take them off before I'd trip and break my neck."

With apologies to Scott
