

The third and fourth year members of C.O.T.C. have successfully passed examinations in accordance with the training policy N.D.H.Q. and have now completed local headquarters training for the year.

\* \* \* \* \*

One feature of the C.O.T.C. activities of this year is the presentation of very entertaining and instructive movies which are held every two weeks. These are becoming more and more popular, not only to members of the C.O.T.C. but also to the remaining members of the student body. Many favourable comments have been heard concerning the splendid selection of pictures by Major Tierney in cooperation with the Film Library of M.D., No. 6.

On February 1, all nineteen cadets taking officers' and N.C.O.'s courses successfully passed their qualifying examinations at the Drill Shed, Charlottetown. Special mention should be made of the Kelly brothers, Francis and Robert, who obtained Lieutenant's certificates.

Twenty-two of the cadets attached to the 17th Armoured Regiment are taking a special course in signalling. A great deal of enthusiasm has been shown by these boys and a large number is expected to qualify on examination.

## ATHLETICS

### HOCKEY

Because they saw the folly of entering two poorly-balanced teams in the City Hockey League, Coaches Bennett of P.W.C. and Father Cass of S.D.U. decided to amalgamate the best material from both Colleges. The result was a well-balanced, hard-working team, which, in the games played so far, have fought their way into the finals. Under the guidance of Johnny Squarebriggs, the Collegians were victorious over teams comprising such hockey stars as: Pete Kelly, formerly of Detroit Red Wings, Laberge, a star in Junior hockey circles in Montreal, and Bobby Dew, who starred with the Springfield Indians of the Canadian American League.

At present, with the League schedule almost completed, the Collegians, sparked by the defensive work of Hennessey and MacAdam, and with Nicolle, Robertson and Blanchard furnishing the scoring punch, should have an excellent chance of coming out on top. In addition to regular League games, the Collegians played and defeated a highly-noted Mount A. squad 5-0. The Collegians line-up is as follows: Goal, J. Proude; Defence, A.J. MacAdam, M. Hennessey, A. MacDonald, G. Wellner; Forwards, Nicolle, Robertson, Blanchard, LaRue, Richard, Gillis, Irvine, Quigley, MacMillan.

### INTRAMURAL HOCKEY

Intramural hockey, under the capable management of George "Smiley" Smith, got under way with a bang this season. To date, the four teams, Canadiens, Red Wings, Rangers, and Hawks, have completed two sections. The Red Wings under the captaincy of "Dimps" Dunphy are in first place. The teams are fairly evenly matched and some bang-up struggles are expected before the championship has been decided. Much credit is due to the Rink Manager, Iver Farmer, for the competent manner in which the rink is being run this year. The official referee of the Intramural series is Jimmy Morris, whose keen eye and unbiased judgments are appreciated by the members of the various teams.

### BASKETBALL

Basketball, like the other sports at S.D.U. this year, was greatly affected by the shortage of experienced players. However, Coach Father McGuigan, with his usual foresight, formed a team of sixteen and seventeen year old youngsters, who in a few years will be a real threat in the hoop circuits. The nucleus of this troop is young, rangy Clem Thorne, classy point-getter from the state of Maine. Although our youngsters have not turned in any victories so far, many of their games were lost by a very close margin. The manager, "Dimps" Dunphy, on being interviewed, went on record as saying, "I have no doubt that with a little more coaching and experience, my boys will give a good account of themselves." The line-up of the team is as follows: C. Thorne, D. Burge, E. Cameron, J. Dunn, J. Bradley, J. J. MacDonald, O. Mullin, M. Hennessey.
