

Alumni

St. Dunstan's College lost a valued member of its faculty when Rev. Jos. Rooney left here last May to attend to the spiritual wants of our soldiers in France. Father Rooney is one of the best Mathematicians that ever graduated from St. Dunstan's and for the past two years he was Professor of this study together with Physics and Chemistry. Besides this during his last year here he fulfilled the duties of Prefect of Discipline and we feel confident that his work in France will be as successful as it was at St. Dunstan's

We welcome in our midst Rev. Jas. C. McGuigan, D. D. who was ordained to the Holy Priesthood on May 26, '18. After graduating from St. Dunstan's in 1914 Father McGuigan entered the grand Seminary in Quebec where he made an exceptionally successful course. He has now returned to his Alma Mater as Professor of Mathematics and Physics.

Since last issue of "Red & White" the following, who were formerly students at St. Dunstan's, have been ordained to the Holy Priesthood: Rev. A. J. McAdam '13 who is now attached to the diocese of Calgary, Rev. Adolphus McIntyre who is at present doing the Lord's work in the city of Vancouver and Rev. George Bradley, S. J. who is teaching in the Immaculate Conception Seminary, Montreal.

John J. Butler, Henry A. Duffy and Finley L. Mullally, B. A., members of the graduating class of 1917-'18, are at present studying Theology in Holy Heart Seminary, Halifax.

The members of last year's graduating class certainly responded nobly to the country's call: Ray. V. McKenzie, B. A., J. A. Fraser, B. A. and Thomas Beagan recently arrived in France with the First Canadian Tank Battalion, Jos. D. McEachern,

B. A. and Chas. Cantin, Bs. C. are in Toronto with the Royal Flying Corps, Frank Beaton joined the American Army, Thomas Hagan, B. A., Alfred Mullally and Andre Arsenault are with the Infantry and Fred. G. Kelly enlisted in the 10th Siege Battery, Halifax.

Mr. Henry L. McMillan, '18, the Valedictorian of the Graduating class of 1917-'18 has secured an excellent position in the Civil Service Department in Ottawa.

Mr. Amedee Caron, B. A., '18 has taken up the study of Law in Quebec.

We are pleased to learn that Mr. Stephen McQuaid '18 who was Editor of the Alumni Department last year has recovered from his recent severe illness. He is at present engaged in teaching school at Riverdale, P. E. I.

Chas. P. Trainor and Sylvester Roach are this year completing their course in Philosophy in American Seminaries, the former in St. Mary's, Baltimore and the latter in our Lady of Angels, Niagara Falls.

Rene Boisvert '17, Edmond Gangnon '17 and Arthur Daly, former students at St. Dunstan's, joined the Flying Corps last July.

Leo F. McDonald and Patrick B. Murphy of last year's Junior Philosophy class are training with the Royal Flying Corps in Toronto.

St. Clair Smith and Ray Johnston who were students at St. Dunstan's for the last three years have joined the Dental Corps.

J. Howard O'Neill and Frank Mahoney, two of our American students of last year have answered their country's call. The former is at present in Camp Devens while the latter has served some time in France with the Marine Corps.

St. Clair Duffy, Alonzo Cameron and John McGuigan left college last spring to join the Tank Battalion.

The Canadian Navy is the branch of service in which Patrick McQuaid and Merlin McCarthy, members of last year's football team, decided to serve their country.

Camille and Arthur Arsenault who were students here two years ago are at present in Halifax with the Ambulance Corps.

Sylvere Poirier and Patrick Nelligan who left here last spring to "sign on" are training with the 105th Reinforcements in Charlottetown.

"Red & White" takes this occasion to congratulate Mr. Mark McGuigan, B. A., '14, Charlottetown, who was so successful in his Law Examinations that, instead of having to wait the customary time of one year, he was immediately called to the bar.

We are greatly relieved to learn that Rev. Father S. J. McDonald, Parish Priest at Lot 7, P. E. I., is recovering from his recent severe attack of pneumonia. Father Stephen was the first Editor of "Red & White" and we learn of his recovery with great pleasure.

Dr. William McLellan who made his Classical course at St Dunstan's has opened a Dental office in Charlottetown.

Mr. Andrew McDonald, Cardigan, a former student of St. Dunstan's, recently joined the Siberian Contingent.

Rev. Bernard McDonald, D. D., former Professor at S. D. U. but more recently attached to the Diocese of Calargy, is at present in France as Chaplain to one of the Regiments from Western Canada.

We heartily congratulate Lieut. A. E. B. Murphy, one of our former football "stars", upon winning the Military Cross.

Mr. Ralph L. Noonan, who played left wing on our hockey team for the past two years, has received a position with R. T. Holman, Ltd., Summerside.

Dr. J. E. Blanchard, a former student of St. Dunstan's, has given up a large Dental practice in Charlottetown to don the Khaki.

It is pleasing to note that Rev. Father Edward Wallace, '08, Chaplain with the American Army in France, is not dead as reported. He is still carrying on his good work with his fellow-countrymen "over there."

It is with sincere regret that we chronicle the deaths of two students who were with us last year in the persons of Raymond Doyle, who died at his home in Frampton, P. Q., last August, and of Samuel Mahoney of Revere Beach, Mass, who passed away while training in an American camp in the Southern States. The demise of the former was due to appendicitis; but "Sam" fell a victim to the dreaded Influenza. Both of these young men were members of the same class, and the students in general, but especially their former classmates, miss their companionship. For the parents and relatives of both, "Red and White" has sincere sympathy.

Since last issue of "Red and White" two more St. Dunstan's men have been killed in Action in the persons of Bdr. Wilfrid McKenna of the 5th Siege Battery Draft, and Pte. Clifford Cahill of the American Expeditionary Forces. Both of these young men attended this college three years ago and besides being excellent athletes were bright and earnest students. We who knew them before they left this country and especially, we who were associated with them in college and therefore in a position to know their characters, feel confident that their souls are at rest.

The Spanish Influenza claimed another member of our Alumni in the person of Earl Grady, who died at his home in Summerside, in October last. Mr. Grady was a student here some years ago and was one of the best hockey players that St. Dunstan's ever produced. He was a clever and popular student and his many friends here and elsewhere learned with deep regret of his death which took place in the prime of manhood.

Still another of the men of whom St. Dunstan's has just reason to be proud has passed away. Dr. R. A. Donahue, who made his Classical course here; died at his home in Regina, Sask., on November 29th, '18. We have no hesitation in saying that Robert Donahue was one of the best athletes that ever donned the colors for old St. Dunstan's. But it was not only on the football field that he was successful for he was an intelligent student and the success which he attained in his profession is due to his own earnest endeavor. To his bereaved family and relatives "Red and White" extends sincere sympathy.
