

ALUMNI

May again and St. Dunstan's writes "finis" to another chapter of her own life and of the lives of them who call her Alma Mater. Another picture is hanging in the lobby of the "Old Building" and another group of young men, on whom have been impressed the high ideals and that proper balance of Faith and Science for which the "Old Coll" is noted, go to swell the ranks of Alumni.

Red and White goes to press for the last time this term, which makes us look back over the year gone by. The brief review recalls the fact that the grim reaper made several gaps in the ranks of the old guard and that several of St. Dunstan's staunchest friends are with us no more. We commend them to your prayers.

Your editor takes this opportunity to thank everyone who has co-operated in any way in making this department more interesting. And so until the next issue "Au Revoir."

FATHER MCQUAID HAS ANNIVERSARY

Many times we have recorded in this column jubilee anniversaries of clergy alumni, but on none of these occasions have we offered more hearty congratulations than we do now to Rev. Frank McQuaid, our esteemed Bursar. On May 17th, he completed twenty-five years in the priesthood; years filled with abundant and fruitful service. As assistant at the Cathedral in Charlottetown, as pastor of Summerfield, and for fifteen years as Bursar of St. Dunstan's, he has always left his mark of effective work accomplished. It would be offensive to his unassuming nature to go into detail, but, certainly, his able management of the business affairs of the College, the extensive building and repair program he has effected, and the state of proficiency to which he has developed the farm, deserve special mention. At the same time, he has always been a true priest, in the full sense that term connotes to the Catholic mind, worthy of and receiving the respect of everyone. All who know him will join us in extending to him—SINCERE CONGRATULATIONS.

Another Alumnus in the person of John J. MacIsaac '14 has entered the field of politics. Mr. MacIsaac, who

has been practising law in Prince Albert, Sask., during the past sixteen years was nominated a candidate for the provincial election. While at St. Dunstan's he distinguished himself in debate. He served with the Royal Air Force during the Great War.

John McGuigan, '28, brother of His Grace, Archbishop McGuigan of Toronto visited the college recently. Mr. McGuigan, who is medical student of University of Alberta, is at present interning at St. Michael's Hospital, Toronto.

Two former students who seem to be popular with the boys at St. Francis Xavier's are Kenneth Green and Joseph MacMillan. The "Shadow" was recently appointed secretary of St. F. X. student council and "Rasp" is on the committee of the same body.

NUPTIALS

Wedding bells have not stopped ringing for Alumni yet, although the situation looked bad until we were informed that Mr. Gordon Sullivan, '33 had joined the Order of Benedicts when on May 4, 1938 he was married to Miss Bertha Gallant of Summerside. The ceremony was performed by the Rt. Rev. G. J. MacLellan, V.G., in St. Paul's Church, Summerside. *Red and White* tenders the newlyweds its best wishes.

IN MEMORIAM

May 1, 1938 brought sadness to the many friends and relatives of Elzear Arsenault, '17 when it was learned he had died in Detroit. Mr. Arsenault who had been living in Detroit for some time belonged formerly to Charlottetown. Those of you who were his fellow students will remember his skill at hockey. Qu'il repose en paix.

Red and White also tenders condolences to the friends and relatives of William Gillis '26 who died at Rock Barra, P. E. I., April 23, 1938. Requiescat in Pace.
