

ATHLETICS

As we come to this glorious season of triumph we bring with us the memory of a winter made pleasant by the joyous exercise and healthy sport in the skating arena.

Within a few weeks of the opening of the second term a splendid team of hockey players was ready for action. Although the Saints did not enter the City League this year, they managed to promote a few exhibition games with the teams from town. The first game of the season was played with a team composed of former students of St. Dunstan's, and they showed the effect of greater practice and experience by beating the University aggregation 2-1. This was followed by a couple of games with the men of Prince of Wales College the first of which resulted in a tie, while the other was won by the Saints.

There were also two friendly engagements between the boys of Queen Square School and a team picked from the intermural league of S. D. U. These teams were evenly matched, and the School boys put up a good brand of hockey, tying the Saints in the first game and losing the other only after a hard fought struggle to the tune 2-0.

S. D. U.—1

EX-SAINTS—2.

The boys of St. Dunstan's played their first hockey game of the season on Tuesday Feb. 2, when they met a team composed of Ex-Saints. A fast pace was set at the beginning of this game and was maintained throughout the fixture. The Saints took the offensive in the first period and kept their opponents busy, but Kelly and MacAleer frustrated many attempts of our men to score. Finally Cassidy of S. D. U. received the puck from Fleming, and cleverly eluded the Ex-Saints goalie, making the initial score of the game. The wearers of the Red and White maintained this lead for the rest of the period, due to the careful goal-watching of Gillis and the back-skating of Cassidy and O'Brien.

In the second period the Ex-Saints had more success, and Cronin scored with a nice shot. The last period was a repetition of the second, and, before the final whistle sounded Cronin scored again, giving the victory to the Ex-Saints.

The Line-ups:

Saints: Goal—A. Gillis and M. White; Defence—B. MacDonald, J. Fleming and G. Keefe; Forwards—F. O'Brien, J. McMillan (Capt); C. Campbell, R. Cassidy, E. O'Hanley and H. Lavesque.

Ex-Saints: Goal—MacAleer; Defence—Kelly (Capt.); Murphy, and Alyward; Forwards—Cronin, Blanchard, Rev. E. Dougan, Doucette and DesRoches.

S. D. U.—1

P. W. C.—1

On Feb. 17 we witnessed an even contest between the teams of P. W. C. and S. D. U. In this game the Saints did not work together as effectively as on the previous night, and were at times outplayed by their college rivals, who gave an excellent exhibition of hockey. The P.W.C. boys caused the first excitement when Shaw's shot reached the back of the Saints goal. Thus aroused, the Saints returned to the attack with increased vigour, and Campbell, after skating the length of the ice, guided the puck into the P. W. C. goal. This marked the end of the scoring, and for the rest of the game, although it seemed at times as if one or other of the teams would score the goal that meant victory, yet that deciding goal was never shot and the score remained 1-1.

The Saints lined up as for the previous game.

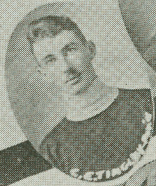

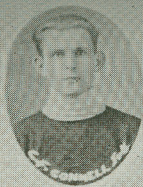

P. W. C.; Goal—Maybee; Defence—Spillet, MacDonald and Stewart; Forwards—Doucette, Holman and Shaw (Capt.)

S. D. U.—3

P. W. C.—0.

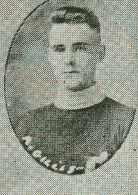

The Saints played their second and last game with the P. W. C. team on Feb. 24. On this occasion the men from S. D. U. showed greater confidence and skill than in the former game with this team, and outskated their college opponents most of the time. But the P. W. C. players put up a clever resistance especially in the first period, and Spillet came dangerously close to scoring, while Maybee in the goal for P. W. C. stopped many difficult shots in each period when McMillan, McDonald or Campbell penetrated the college defence. The Saints scored in each period, B. McDonald shooting the first,

J. McMillan the second, and E. O'Hanley the third. Thus the final result was a score of 3-0.

Both teams lined up the same as for the first game.

INTERMURAL HOCKEY

As the various teams playing in the intermural hockey league made their appearance on the ice, it looked as if they would furnish some fast and exciting games. These expectations were fully realized, for the results of these contests were generally uncertain, and often unexpected. Of the six teams in the league, the St. Pats, Bruins, Yankees, Maroons, Canadians and Senators, the Maroons alone remained unconquered, and though some of their games were won only after a hard struggle, their position was never seriously threatened. The great contest was between the Bruins, Canadians and Senators for second place, and it was not until the league was about finished that the Senators secured this position.

The line-up of the Maroons was as follows:

Goal—R. Cassidy; Defence—A. Murphy, E. Murray and F. Nelligan; Forwards—C. Tingley, A. Hughes, G. MacDonald, and F. VandeCatsyen.

INTERMURAL BASKETBALL

Basketball is included among the favourite games played at St. Dunstan's and this year many promising players were seen in action. The result of the intermural basketball league was similar to that of the hockey league and the games were as closely contested, though the Bearcats received no defeat to mar their series of victories. This team played the game with the facility that follows experience, and though they had a few dangerous rivals, they finally made secure their title of conquerors.

The Bearcats' line up was as follows:

Centre—C. Tingley and G. McDonald; Forward—E. Murray, D. O'Leary and A. Hogan; Guards—A. Murphy, F. Nelligan and W. Gillis.
