BIGGER *and* BETTER

In our almost half century of Shoe business we have never offered such service to the public. A well fitted shoe wears better as well as looks better. Our fitters are past masters of the "Art."

Our stock is larger and more varied than ever before, including from the very cheapest kinds to the most expensive, and we give the some painstaking attention to the sale of a one dollar shoe as to the fifteen dollar kind. Let us provide your next pair. Nobody can do it better or cheaper.
