

ENGINEERING unlimited...

● In engineering, the sky's the limit today at Canadian Westinghouse. The never-ending demand for more advanced electrical and electronic devices for the homes, industries and defence services of Canada, coupled with a steadily broadening engineering horizon, gives virtually unlimited scope for the talents of the Westinghouse corps of engineers.

If you are an undergraduate in electrical, mechanical or electronic engineering—if you would like to build a stimulating and rewarding career, working with leaders in your profession in one of the largest and fastest-growing engineering organizations in Canada . . . get in touch with Westinghouse, where constant progress is always making new opportunities for engineers.

YOU CAN BE SURE...IF IT'S

Train for

THE BEST OF TWO WORLDS TOMORROW

DEVELOPE your leadership ability, acquire new technical skills, benefit financially and continue your university courses by enrolling in the tri-service Regular Officer Training Plan (ROTP). It provides for:

- UNIVERSITY TUITION FEES PAID BY THE DEPARTMENT OF NATIONAL DEFENCE
- A MONTHLY SALARY
- ALLOWANCES FOR BOARD AND ROOM, BOOKS AND INSTRUMENTS
- FREE MEDICAL AND DENTAL CARE

THEN, on graduating, you will have not only your chosen professional training, but also the prestige of the Queen's Commission as an officer with the many personal advantages it brings.

University students accepted for ROTP are trained as career officers. However provision is made for voluntary withdrawal upon completion of three years full duty as a commissioned officer.

A LIMITED NUMBER OF CANADIAN ARMY VACANCIES IN THESE ROTP "UNIVERSITY QUOTAS" ARE STILL AVAILABLE.

If you want the best of both worlds, find out what this plan can offer you today.

For further particulars, contact your Resident Staff Officer:
