

ALUMNI

Since the last issue of Red and White, two former graduates of the University have received Holy Orders, namely, Rev. Alphonse Arsenault and Rev. Robert McCarthy. Father Arsenault has gone to the Magdalen Islands. Father McCarthy is stationed in his home diocese of Chatham. On July 6, 1919, Rev. Wilbert McKenzie, a former student of this Institution, was ordained to the priesthood in Charlottetown, by His Lordship Bishop O'Leary. Father McKenzie is now stationed at Revelstoke, B. C. We hasten to congratulate the Reverend gentlemen on their elevation to the exalted dignity of the priesthood. It is the sincere wish of their many friends at St. Dunstan's and elsewhere, that their noble work, in the Vineyard of the Lord, may be blessed by God.

Rev. Dr. J. C. McGuigan, who was Professor of Physics and Mathematics here, last year, has been transferred to the Bishop's Palace, Charlottetown. His departure from the University was felt keenly, by the students whose confidence and friendship he had so completely won during his short stay at his Alma Mater.

Captain (Rev.) Joseph Rooney has returned to St. Dunstan's to resume his duties. Fr. Rooney served as Chaplain, with the C. E. F. in England and France. Needless to say, both the students and faculty are delighted to have him again with them.

The following students of last year's graduating class have entered upon their studies for the priesthood:—Messrs Michael McQuaid, Reginald McDonald,

and Alphonsus Sinnott are attending St Augustine's Seminary, Toronto. Messrs Michael Rooney, B. A. and Michael Francis, B. A. are studying at the Grand Seminary, Quebec. Mr William H. McGill and Mr Sylvester Roache are studying at the Seminary of Our Lady of Angels, Niagara Falls, N Y. Mr Stephen McQuaid, '18 and Mr. Raymond McKenzie, B. A. '18, are also studying Theology, at St. Augustine's Seminary, Toronto. That they may persevere, in their noble aspirations, is the sincere wish of their many friends in St. Dunstan's.

Mr. Austin O'Brien, B. A. '19, is teaching in Western Canada. Austin's record as a teacher and student at St. Dunstan's will, we feel sure, win for him in his new sphere of activity, the esteem and recognition that are justly his. Mr. Joseph McEachern B. A. '18, and Mr. Thomas Hagan, B. A. '18 are also teaching in Western Canada.

The study of Dentistry has attracted many of our bright young men. Messers Alfred Mullally, Martin McGuigan, and Charles Dougan have entered Tuft's Dental College, Boston. Mr. Ralph Noonan is also studying Dentistry in Toronto.

Mr. John A. Fraser, B. A. '18, is engaged in the study of law in the Province of Saskatchewan. Mr. Joseph Flemming, B.Sc. '17, and Mr. Leo Casey, '18 are also preparing themselves for admission to the Bar.

Mr. Fred Kelly '18 is studying medicine in McGill University, Montreal.

Mr. Ray McCarville, '14, who recently received his degree of M. D, from McGill University, is at present attached to the Medical Staff of the Royal Victoria Hospital, Montreal.
