Have You Tried the FARADOR?

The Scientific Triumph of the age
making man Master of Disease
without Drugs or Medicine.

It is estimated that to-day about 25,000,000 Americans are drugless enthusiasts, who seek results by arousing the reserve powers of the body through natural methods. Various methods of energy or force treatment—electricity, heat, vibration, light, etc., have produced good results, but it is safe to say that none can produce such an array of written evidence as tends to the merits of THE FARADOR. Hundreds have been cured in Prince Edward Island. Write for literature and testimonials from local people to
