Who laughs last--laughs Best

*The funny men who make you laugh
When added together make a wit.
For each you see is just one half
And neither one could make a hit.*

*They gloat o'er time-worn, corny cracks
Each laughing in a dirty beard.
The jokes evolving from these quacks
With age and use sound very weird.*

*So Malachy, the one time flirt,
Is now afraid of every skirt.
"Big" Frank, the cornier by far,
Spends all his time at the Oyster Bar.*

*Now funny men of future, who
Would fain make jokes on girls they knew,
Take my advice, don't do it boys,
For it will cancel all your joys.*
