RETREAT

The annual three-day retreat for the students opened Thursday evening, March the nineteenth, and closed Sunday the twenty-second. This year it was conducted by Reverend Father Meyer, C.S.S.R., who preached inspiring sermons throughout. The retreat was one of the best made at the College for a number of years. Father Meyer is to be congratulated for his fine work, which made such a splendid retreat possible.

STUDENT-FACULTY NIGHT

This year on April the twenty-second, for the first time in the history of the College, a Student-faculty get-together was held. Each class put on a short one-act

play, humorous and otherwise, and in most cases original in authorship. The acting was superb and revealed quite a number of younger students with promising ability which, we feel sure, our play-director will make good use of in the future. The purpose of the affair was to foster a greater spirit of co-operation between the students and faculty and develop a College Spirit. Although College Spirit at Saint Dunstan's has always been of a very high order, nevertheless it must needs be strengthened. The committee of Judges selected to decide which class put on the best play decided that all equally merited the prize of a half holiday. At the conclusion, refreshments were served in the refectory, and the students showed their appreciation and good will by giving three hearty cheers for the faculty. His Excellency Bishop O'Sullivan was a most welcome visitor for the evening.
