ONCE UPON A TIME three wise men came out of the East. One came from Nova Scotia; one from New Brunswick, and one from Prince Edward Island. Since they came out of the East it naturally follows they were going West. Now the man from Prince Edward Island didn't go very far; he found the meals were not as good as the meals at MILTON'S OLD SPAIN which was back home—so back home he came. We think he was the wisest of the three; Don't you?
