

Speaking on Sport

By Paul D. Foster

The sport page wishes to extend to all a most hearty welcome, and to our teams the best of luck for the '62-'63 season. Realizing the position of the Varsity Football Team, that is, in the "A" Conference, we hope that the spirit of the students this year will help push the players' potential to its capacity. To the Football Team we send out the best of luck and wish you much success.

A new face is filling an old job here at S.D.U. this fall. The face is that of Jack Kane and the job is coach of the Junior Varsity Football Team. Jack comes to us with much playing experience, a good head for football and a big bag of strategic football tricks. Jack, who was assistant coach of the J. V. squad last year, will be taking over Fr. Ledwell's duties on the gridiron. Those of us returning to the campus are well aware of the excellent teams that Fr. Ledwell molded together to capture many championships in the J. V. division. It is under Fr. Ledwell's supervision and training that many of our varsity players were familiar-

ized with this game. Year after year this coach gave us a winner, to Jack we look for the same and are all behind you.

The A.A.A. is now in full operation. Two meetings have thus far been held and much has been ironed out in regard to Intermural Football. President Jim Bentham, has notified this column that this year some necessary changes in the playing of Intramural Football will take effect. In this year's play, the ball carrier will have in his pocket a cloth which must be removed in order that the play be stopped. This removing of the cloth from the ball-carrier's pocket will take the place of the former tackle, which had to be eliminated due to the lack of proper equipment and accidents in the past. If there are any objections to this ruling one is advised to see Jack Kane for J. V. or Coach Ed Hilton for Varsity Football. Joe McIvor is manager of the Intramural Football schedule and play will commence shortly.

Should anyone desire information regarding sports on the campus, please contact President Jim Bentham or Vice-President Jim Garrity.

Saints Open Season With Tie

The field was soggy and muddy, the rain was pouring and the time was 2 p.m. From the side-lines strolled a distinguished looking man who was the President of the University of New Brunswick. President MacKay proceeded to center field to kick the U.N.B. football season off. After this pre-game ceremony, the "Bombers" kicked to the Saints' Walt Buote who made good for ten yards. Having been stopped for two downs, the Saints decided to punt. After a series of first downs, the U.N.B. squad hit home with Labonte carrying for their first touchdown. The U.N.B. kick was wide. Score 6-0, U.N.B.

The Saints, after being stopped for two downs, kicked to the Bombers. An early fumble was recovered by the Saints on the U.N.B. 15 yard line. On the third down, quarterback Fred Ripley swung wide to the right and bounded over for the first St. Dunstan's T.D. The extra-point kick was just short of its proposed mark. Score 6-6.

U.N.B. punted on their third down and the Saints' receiver was tackled behind the goal line to give the Bombers the one-point lead. Half-time score: U.N.B. 7, St. Dunstan's 6.

In the second half, Mike O'Brien and Bob Simmons of the Saints both received injuries, and had to be taken from the game. In the early minutes of the third quarter, the Saints turned the tables on U.N.B. and gained their seventh and final point of the game through a touch-back.

Len Ellis, running well and thinking quickly, kicked a received punt from behind the uprights to return the ball to U.N.B. down-field, thus avoiding the almost certain second rouge.

The Red and Whifers, with many chances, should most definitely have won this encounter. However, in the closing minutes of the game, the Saints were lucky to maintain the tie as the Bombers were down on the Saints' seven yard line. Setting up a stone wall, the line would not give, the U.N.B. squad was stopped from scoring. On the Bombers' third down they could easily have punted and possibly won the game by a rouge. Instead, they decided to run and were stopped. Final score, 7-7.

VARSITY TEAM 1962 - 1963

Staunch Varsity team before battle with UNB.

Once again the Red and White forces from St. Dunstan's University return to the football wars — this year against rough, classy competition in the "A" Conference of the Maritime Intercollegiate Football League. Previous to this issue of Red and White, the Hilton men engaged the University of New Brunswick at Fredericton.

Ed Hilton, in his third year as head football mentor at S. D.U., has had a large turnout for pre-season drills. Hilton has worked the boys hard and all hands seem to be in good shape for this year's entrance into bigtime maritime football.

Hilton is blessed with many returnees from last year's "B"

Conference runner-up team. Big Don DesRoches will be back at his end position to demoralize opposing linemen and backs. Last year's most valuable player, Frank Garrity, will return and captain this year's twelve. Frank will be operating from a right end position on offense and a middle line backer position on defense. Frank's "little" brother Jim will be returning to his familiar tackle position and will be doing his usual bang up job there. Colin "Gump" McMillan, out with an injury most of last year, will be centering for the Red and White. Other returning linemen are Reg Pendergast, a tackle, and Ron Penderon, Mike Lane, and Dick Tingley,

ends. Returning in the back-field is stalwart halfback Leny Ellis who is always good for yardage. "Big Bad Bob" Simmons will be blasting through opposing lines once again from his fullback position. Also returning as halfback is fleet and dangerous Mike O'Brien. Jim Bentham is also returning for utility work. Hilton has a good quarterback for the '62 season; Fred Ripley, a freshman from Rumford, Maine, should prove to be a thorn in opponents' sides.

These returnees along with other newcomers should hold their own against the bigger schools in the "A" conference.

"Now let's see! What was that other play?"
