

ATHLETICS

By all the slang and noise heard on the campus the past week or two, one would judge the baseball season to be in full swing. At any recreation one hears such pithy sentences as:—"Batter up!" "Play Ball!" "Knock the cover off the old pill!" and such like. The old horsehide sphere is quite in favor not only on the big diamond, but also on its smaller brother, where baseball enthusiasts who are not otherwise engaged display their skill in the more or less strenuous game of football—a game introduced in St. Dunstan's this Spring for the first time, and which, judging by the interest and enthusiasm manifested, is here to stay.

In addition to baseball, tennis has its quota of players and fans, and the new court is kept busy on every occasion.

The S.D.U.A.A.A., with particular mention of its Moderator, is to be highly commended for the interest and initiative it has taken this year in athletics.

In addition to first and second baseball teams, which practise almost every day, there are four Intermural teams. To accommodate these a League has been drawn up, and so far a number of games have been played. Interest in the outcome of this League grows apace, as one favorite after another gives way to a successful rival. The teams captained respectively by E. Murray, and L. Roy, are at the present time close rivals for first place, and a game either way for these teams means the championship.

BASKETBALL

It was the intention this year to organize a League in Charlottetown for the purpose of deciding the winner of the Island Basketball Championship, but, owing largely to the lateness of the season and the demands of other branches of sport, the League did not materialize.

Only one game has been played by the Saints since Easter, that with the R.C.N.V.R. team. This game was a very good exhibition of basketball. St. Dunstan's had the edge on their opponents in shooting and won the game, 37—26.

Des O'Leary was the high scorer of the night, being responsible for 17 of the 37 points made by the Saints.

The game was capably refereed by R. Doyle.

The teams lined up as follows: Naval Reserve: Guards,—L. Connolly, W. McIsaac; centres,—J. Connolly, H. Hennessey; forwards,—L. Doiron, G. McMahon, and C. Doyle.

Saints: Guards—E. Murray, J. Keegan, T. Hughes; centres—G. Macdonald, M. McKenna; forwards—C. Tingley, D. O'Leary and V. McQuaid.

BASEBALL

On Wednesday evening, May 17 the Rovers baseball team from Charlottetown, played the Saints on the College diamond. The Rovers were defeated by the score of 11—4, but, with the exception of the fifth inning, the play was very even. In that inning the Saints succeeded in scoring four runs. Two home runs by Charley Tingley featured the play, and the fans in no uncertain way voiced their appreciation of Charley's slugging.

In the first inning the Saints got two runs, while the Rovers were held scoreless. In the second the Rovers took the lead when three of their men crossed the home plate in safety. In the third, fourth, and fifth innings the Rovers were held down to a few scattered hits, while our team batted Carbonnell for six runs. In the sixth the Rovers went down one, two, three, while W. King, J. Keegan and C. Tingley tallied up three runs for S.D.U. Only one-half of the seventh inning was played. The Rovers succeeded in getting one more run, which brought their total to four.

Doctor Dougan as referee, and "Dutchy" Diamond as base judge, fulfilled their duties very capably.

Following are the respective line-ups:

| Rovers. | Saints. |
|-----------------|-----------------------------|
| Murley..... | Catcher A. Doucette |
| Carbonnell..... | Pitcher V. McQuaid |
| Blanchard..... | First Base W. King |
| Williams..... | Second Base J. Keegan |
| Whelan..... | Third Base G. King |
| McInnis..... | Short Stop T. Hughes |
| Cronin..... | Left Field C. Tingley |
| Doyle..... | Centre Field O'Leary |
| Whitlock..... | Right Field McKenna |
