

# The Funny Man

Come in to Nonsense Avenue  
And join the crazy throng  
To while away an hour or so  
In jollity and song.

---

English Prof: "What selection from Burns appealed to you most ?"

Gordon: "To a Mouse."

---

Prof. English: "Give me a sentence with sun-flower in it."

R. B.: "The sun rose from his fleecy bed."

Prof.: "I thought I said sun-flower."

R. B.: "Well, isn't a rose a flower ?"

---

Annie: "What does Driscoll suggest to you ?"

Fiddler: "Perpetual motion."

Annie: "And why ?"

Fiddler: "Because he even talks in his sleep."

---

Dick: "You know I'm beginning to believe in hell."

Toddy: "How's that ?"

Dick: "Well if there isn't any hell where else is business going to these days ?"

---

Dentist's Daughter: "Well, dear, have you asked Father for my hand yet ?"

Dalton: "No. I lost courage, and today he pulled out my last tooth."

---

Maggie: "Why do they call the nurses 'R.N.' ?"

Lumber Joe: "Oh well, Regular Nuisance."

---

Raisin: "That shoe must have been crowded that the Old Woman lived in."

Kang: (looking at Raisin's feet) "No, in some cases they could take in boarders."

The Ram's Plight

Nora had a little Ram,  
He took her to the show  
The Prefect sat beside him  
'Twas just too bad for Joe.

---

Egan: "I was caught skipping last night."

Lewis: "Where?"

Egan: "I was in Ed Murphy's room and I heard the  
Disciplinarian coming, so I got into the trunk."

Lewis: "Gosh, Ed Murphy will be expelled."

Egan: "Why?"

Lewis: "For keeping a half-pint in his trunk."

---

Maggie: "If I ate a lot of fish would I have a monopoly  
on intelligence?"

Prof. of Economics: "No, I don't think so. The  
government wouldn't allow you to exterminate the whale  
species."

---

Gaudet: "Does the bell make much noise in your  
room in the morning?"

Ram: "Sure, it raises Cain?"

---

The waiter was taking an order from Dunn who was  
accompanied by Redmond. "And how about lobster?"  
the waiter inquired.

"Oh, he can order anything he likes," replied Dunn.

---

Shea's Ode to a Flower

There's the blossom that blooms on the lilac tree  
There's the rose that blooms in the alley,  
But the dearest, sweetest, flower for me  
Is the Lily of the valley.

---

Lumber Joe: "I was stumped in the last philosophy  
exam but I got out of it all right."

Tartarin: "How's dat?"

Lumber Joe: "I saw it written all over Chang's face."

## Just Imagine

Dalton without a bed.  
 Raisin in Cinderella's shoes.  
 Hector locating a Dot.  
 Moffatt as Don Juan.  
 Willie D. skipping classes.

Butler: "Oh, Professor, there's a fire in the next room."  
 Absent-minded Professor: "Why bother me? Am I in the next room?"

Steve: "Joe got his last three teeth out today."  
 Bandy: "Why?"  
 Steve: "Because he's afraid he'll have pink tooth brush."

Sockfoot: "I dreamt last night that I had invented a new breakfast food."  
 Tub: "Yes, and what happened?"  
 Sock: "When I awoke there was a part of the mattress gone."

Panama: "Did you hear that donkey braying this morning?"  
 Moon: "Donkey nothing. That was Dunphy laughing."

"Come," said Dynamite Dunn  
 "It's only for fun,"  
 And he stuck up his dukes to Kelly.  
 But it wasn't such fun  
 Oh, 'twas O.K. with Dunn  
 But alas, it was K.O. with Kelly.

Minnie: "What does Lily stand for?"  
 Shea: (Sadly) "She doesn't stand for anything."

Chang: (Complaining) "Gosh, Maggie keeps me in hot water."  
 Caron: "Too bad there isn't some soap in it."

Ram: "Porky would make a good stool-pigeon."  
 Prof.: "Why?"  
 Ram: "He is a squealer."

Nurse: "Did you ever have any experience with children ? "

Lumber Joe: "Yes, I was a child once myself."

Stork: "Does Doc ever get any complaints from his patients about his medicines ? "

Gaudet: "S-s-sh. Dead patients never complain."

Jiggs: "Ouch, that's my nose."

Marmaduke: "Oh, I'm sorry. I thought it was an eruption on your face."

Stranger: "Say, that's great accordion music."

Tartarin: "Say do you really mean that ? "

Stranger: "Yes."

Tartarin: "Well I wasn't sure whether it was getting better or I was getting used to it."

Prof. in English: "Who wrote 'A little knowledge is a dangerous thing' ? "

Gaffer: "Tennyson in his song, 'The Daffodils' "

### We Wonder

What does Bona do when the library is closed ?

If Grandma got her man yet.

How Jiggs got his Revenge ?

How the Ram became the Goat ?

If Prosperity is around the corner or the coroner is around prosperity ?

So many worlds, so much to do,  
So little done, such things to be.

—Tennyson.

The loss of wealth is loss of dirt,  
As sages in all times assert;  
The happy man's without a shirt.

—John Heywood.
