

ATHLETICS

ATHLETICS

This present month terminates a very successful year for St. Dunstan's. In looking back over the past year's athletic activities we are at once impressed by the success that has rewarded the efforts of the College in the various branches of sport in which it has participated.

It is to be regretted that the Senior Football team had no opposition in Charlottetown this year. The Intermediate team upheld the College reputation by defeating Prince of Wales and winning the Intercollegiate Title.

The showing of our Junior Hockey players in the Charlottetown Hockey League was quite creditable. As it was their first experience in Junior Hockey, the boys are to be congratulated on having won second position. More important still was the capture of the Wellner Trophy by the College Senior Team. In view of the strong team iced by Prince of Wales the Saints have every reason to be proud of their victory.

At present baseball holds the forefront. It is planned to round a first team into shape and to engage some outside teams. As there is some fairly promising material the Saints have reasonable grounds for anticipating success here also.

SOFTBALL

Five teams entered the lists in quest of this year's Softball championship. In a closely contested league, Second Corridor Dalton clinched first place. The finals were contented between Third Corridor O. B. and Third Corridor Dalton. Possessing a string of murderous batters in the persons of Frank St. John, Ray Maher, Fr. McGuigan, Chris Gallant, Pud Roach and Jim Hogan the Old Building team outplayed their Dalton rivals in the third game of the finals to win the olive branch. In view of the fact that the Old Building boys were not conceded a chance to win the championship, they are to be congratulated on their deserved victory.

BASEBALL

At the time of writing baseball is just beginning. There are four teams in the league and the series promises to be an interesting one.
