**Reverend William E. Cameron**

It is with much regret that we chronicle the death of one of St. Dunstan's distinguished alumni, Rev. W. E. Cameron. The sad event occurred in Calgary on June 6, 1933. His death came following a very short illness.

Born at Grand River, P. E. I., December 3, 1878, Father Cameron was educated in Charlottetown, winning the first Rhodes Scholarship for Prince Edward Island at St. Dunstan's. He was a man of exceptional intellectual qualities, a hard and conscientious worker, a fact which is evidenced by his having secured a Rhodes Scholarship. He graduated with a B. A. Degree at St. Dunstan's in 1903, remaining for two years on the teaching staff before proceeding to Oxford University, England, as P. E. Island's first Rhodes Scholar. After three years at Oxford, he returned to St. Dunstan's where he taught for several years before entering St. Augustine's Seminary. Father Cameron was ordained in this Province in 1916 by his Lordship, the late Rt. Rev. Louis J. O'Leary and soon left for Calgary to begin his sacerdotal work.

He was at first engaged in parish work, but his qualities as a teacher having become known, Father Cameron subsequently became principal of St. Mary's High School, a position for which he was adequately fitted and which he held until his death.

St. Dunstan's regrets the passing of Father Cameron. He was another of her famous sons who had acquired rank in the educational field. He was doubly dear to us, having been a student here and also a member of our faculty for several years. The Alumni Department of *Red & White* wishes to extend sympathy to the relatives and friends of Father Cameron.

May he rest in peace.
