# The Imperial is the best Motor you can buy

No matter what price you pay you cannot get a better motor than the I PERIAL—it is the king of all motors—the best all-purpose motor made in Canada.

Imperials do not base their superiority on one point alone—not at all. For economy, durability and efficiency they have no equal. The Imperial is as good for racing boats as for tugs—equally good for schooners or row boats.

No matter what you use the Imperial for, it “makes good.” You cannot afford to buy any other kind. Imperials are made in 2½ h.p. up. Every motor fully guaranteed.

# See These Clothes

## Try on Just One Suit

Surely you have time to step in and look over some unusual clothes. It won't take ten minutes—and you couldn't possibly spend ten minutes more profitably.

Our stock of \$10, \$12, \$15, \$18 and \$20 clothes is on exhibition—it's a real fashion show. Every garment combines to the highest degree all the late style tendencies. The fit of each is almost amazing in its accuracy.

What we say may sound like over-enthusiasm; but take our word for it, we haven't over estimated a single suit.

We will give more value for your money here than anywhere else in a suit at
