

College Chronicle

Another college year is over. For all, it has been a pleasant one and in the future many of its events will be recalled with pleasure. During the year college activities received the whole-hearted support of the students and we feel sure that after a pleasant vacation, the boys will return full of enthusiasm for the success of the coming year.

On Thursday, March 21, the annual three-day retreat opened at St. Dunstan's. Owing to the early date of Easter this year the retreat was later than usual. The exercises, were conducted by Rev. Archibald McDonald, C. SS. R., Rector of Holy Redeemer Parish. Father McDonald who gave a retreat here thirteen years ago, is a most interesting speaker as was easily seen from the undivided attention which the boys gave him at all times. The retreat closed on Sunday afternoon with a Holy Hour after which Father McDonald gave the Papal Blessing. The Right Reverend Rector, then thanked him for his efforts in conducting such a successful retreat.

On Saturday evening, March 30, the students who took part in the Tenebrae Services of Holy Week were given a banquet at the Charlottetown Hotel by His Excellency Bishop O'Sullivan. The students, with their leader Mr. Alfred Doucette and the Rev. Rector, spent a very pleasant evening. A feature of the occasion was the singing, between courses, led by Mr. Doucette. The Choir takes this opportunity to thank His Excellency for his kindness.

On Saturday, April 13, a meeting of the Athletic Association was held in the study hall for the purpose of elect-

ing a slate of officers for the coming year. The following were elected:

It was decided at the meeting that in the future the captains of the senior football and hockey teams should also be the representatives of these sports in the Athletic Association. At a meeting of the teams later, Joe Chisholm was elected football captain and Vince Grant hockey captain.

The students and the staff of Red and White extend to Tom Holland their sincerest sympathy on the death of his sister.
