

Inspection

The Cadet Corps which had been drilling actively for some time under the capable instruction of Lieut. W. J. McDonald, who saw service at the front, was inspected on May 16 by Col. Willis, of Halifax. The Colonel complimented the students on their efficiency, and remarked particularly that he had seldom seen a company march at a more perfect "slope arms". On the whole, the inspection was one of the most successful that a S. D. U. cadet corps has passed in a good many years, thanks to the capability of its instructors.

Sad Loss

Red and White extends its deepest sympathy to Mr. Reginald Campbell on the loss he has sustained in the death of his father, to Mr. J. Walsh for the death of his brother, and to Mr. Reginald McKinnon on the death of his aunt.

Reverend William Monaghan, a graduate of St. Dunstan's who, has since his ordination, been attached to the Cathedral staff as secretary to His Lordship Bishop O'Leary has recently been appointed pastor of the parish of Seven Mile Bay, succeeding Father McIntyre, who has retired. We wish Father Monaghan every success in the discharge of his new responsibilities.
