WILLIAM JOHN CAMERON—SCIENCE

"Life, that dares send a challenge to his end,

And when it comes says, 'Welcome Friend'."

"Bill" was born in St. John, N. B. on November 26, 1935. He received his early education in Tignish and entered Summerside High School from which he was graduated in 1953. In the fall of 1953 "Bill" enrolled at St. Dunstan's in his Sophomore year. He has distinguished himself in the field of drama particularly as "Romeo" in Shakespeare's "Romeo and Juliet" which was staged in the Spring of '55. As a pianist he was the life of any party or social gathering. "Bill" has held consecutively the positions of Secretary, Vice-President, and President of the Glee Club. This year, he was chosen President of his class. Although "Bill's" plans for the future are indefinite, we wish him every success.

**ROSELLA MARGARET DEVINE—ARTS**

Youth, beauty, wisdom, courage, virtue, all that happiness and prime can happy call.

Rosella was born in Peakes on June 9, 1937. She received her early education at her home school and completed her high school education at St. Teresa's Convent and Kinkora High School. In the fall of '52, she enrolled at St. Dunstan's. Besides taking an active part in dramatics, she has served on the staff of the Red and White, and this year she has held the responsible position of the presidency of the Sigma Delta Upsilon Sorority. Rosella's cheerful disposition has won her the highest esteem of all who know her. We all join in wishing her every success in

her future endeavors in the field of social welfare.

CORINNE LAVINIA MARIE DUFFY—ARTS

Heart on her lips, and soul within her eyes; soft is her climate,

and sunny are her skies.

On May 29, 1936, Corinne was born in Kinkora where

she received her early educa-

tion. After graduating from

Kinkora Convent in 1952,

Corinne attended Prince of

Wales College for one year be-

fore coming to S. D. U. in 1953

to enter sophomore year. While

here, besides being a capable

student and a pleasant class-

mate, Corinne has held posi-

tions on the W. U. S. C. com-

mittee, and the Sigma Delta

Upsilon Sorority. The best

wishes of all your friends go

with you Corinne, and we are

certain that your chosen work

will be successful.

GLORIA MAY FEEHAN—ARTS

"Love, sweetness, goodness, in her person shines."

Gloria was born on May 22,

1935, in Mount Stewart where

she received her early educa-

tion. For one year she attend-

ed Notre Dame Academy and

it was there that she completed

her high school education. The

following year she entered St.

Dunstan's where she has won

the hearts of all with whom she

came in contact. While at St.

Dunstan's, Gloria has proven

herself to be a diligent student,

and at the same time she has

participated in several extra-

curricular activities. She has

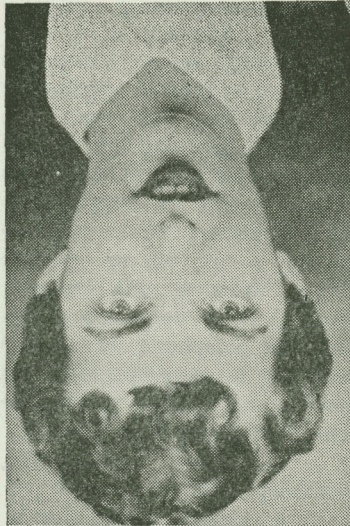

taken an active part in drama-

tics, and has held positions on

the Sigma Delta Sorority.

Gloria plans to study Social Welfare and with her personality and

talent her future will be crowned only with success. Bon Voyage

WILFRED REGINALD GILLIS—SCIENCE

"What is a gentleman but his word?"

Wilfred was born in Halifax on Easter Sunday, April 13, 1936, and so he was called "Bunny." "Bunny" spent his childhood in different Canadian cities, taking grades seven to eleven in Summerside before entering St. Dunstan's for his Freshman year in 1951. Here his acting, in class and college productions, and debating, in the MIDL were soon appreciated but he is probably more famous as an intermediate football player and goal tender on our Senior hockey team for the past four seasons. "Bunny" leaves St. Dunstan's with an army commission, a Science degree, and a burning desire to study medicine. He also leaves with the sincerest best wishes of everyone.

**EARL RAYMOND HANDRAHAN—ARTS**

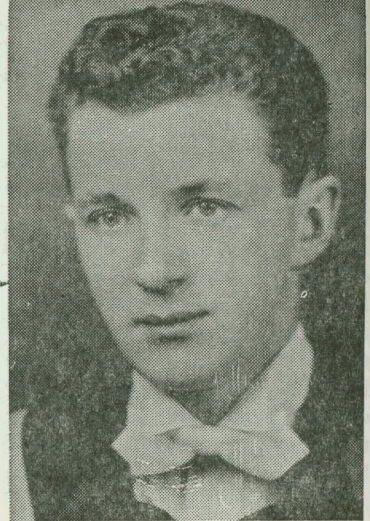

Earl was born in Tignish on May 31, 1935. He attended Christopher's Cross School and Tignish Convent where he received his primary education before enrolling at St. Dunstan's in the fall of 1951 as a Grade XII student. Since coming to St. Dunstan's Earl has proven himself a very ardent student and has taken part in all campus activities. He has been a member of the A. A. A. Executive for two years, in 53-54 and 55-56, and he has been his class' representative in the Students' Union Executive in 54-55. Earl's plans for the future are un-

decided but we all wish him the greatest success in whatever field he chooses.

GERMAIN LEMIEUX—SCIENCE

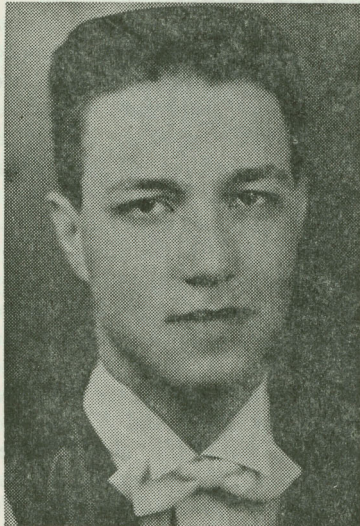

Attempt the end, and never stand to doubt;
Nothing's so hard, but search will find it out.

Born at Armagh, Bellechasse on August 1, 1933, Germain attended College de Victoriaville and College de Levis before coming to S. D. U. three years ago. Behind a quiet exterior Germain has proven to be a good student and a talented young man. He has been a member of our hockey team for three years. He intends to enter Laval next year to study medicine, and we feel that all his future endeavours will be crowned with well-earned success.

MICHEL LEMIEUX—SCIENCE

"Speech Is Silver, Silence Is Gold."

If such is the case, Michel has gathered a lot of silver and very little gold.

Michel was born on the 18th of January 1935, in Winsor Mill, Province of Quebec. He received his primary education in his home town and at Sacre-Coeur College in Victoriaville. He came to S. D. U. in 1952.

During these four years, "Mike" has had all kinds of adventures. He has been a good friend to everyone..... Michel likes to talk....to play bridge and is a good sportsman.

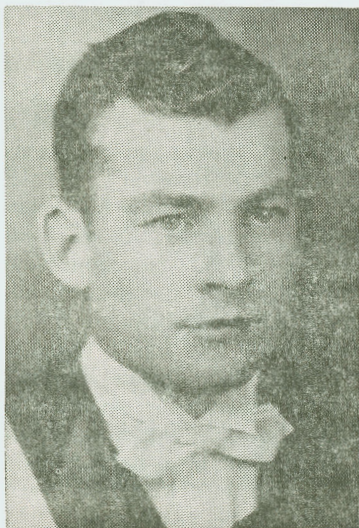

After he gets his degree, he aims to go back to Winsor to work with the "old man," who owns a lumber business. From all of us, "Mike", congratulations and good-luck.

EUGENE MOONEY—ARTS

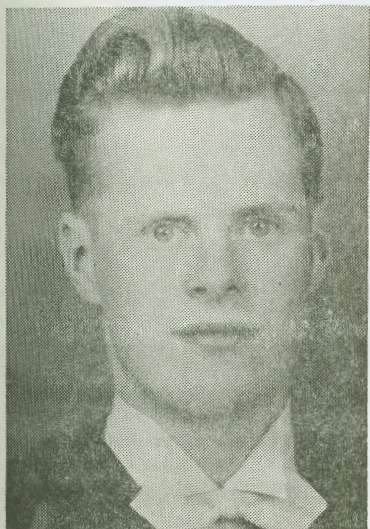

"Mens sana in corpore sano."

Gene was born in Iona on July 19, 1934, where he received his primary education. He came to St. Dunstan's in the fall of 1950 and since then has taken an active part in all campus activities. He was a member of the Dramatic Society in his Sophomore year, and he was manager of the Football Team that won the Maritime Championship in 1954. His friendly way has won him many friends here at St. Dunstan's and we know that his passion for work will render him successful in whatever he attempts to do. We wish him the best in all his future endeavors.

LOUIS JOSEPH McCLOSKEY—ARTS

"The crown of glory is his to wear,
Who works with fidelity and care."

Louie was born in Emyvale on October 24, 1936, and received his primary education there. He entered St. Dunstan's in the fall of 1951, and during that year, completed two years' work in one. Louie proved himself to be a brilliant and diligent student and could always be counted upon to do his utmost. He served as chronicle editor of the RED AND WHITE and as president of the C. C. S. M. C. Louie has been appointed life secretary of his class. His fellow students wish him continued success in all his endeavors.

JOHN FRANCIS MacDONALD—SCIENCE

"Good humor is goodness and wisdom combined."

John F. was born at Souris on May 21, 1935. He received his elementary education at Souris High School and St. Mary's Convent, and aspiring to higher intellectual standards entered St. Dunstan's in the fall of '51. During his years with us his ready wit and genial ways won for him the friendship and acclaim of all. He participated in all inter-class sports and was a member of our Intercollegiate football team in his senior year. His plans for the future are indefinite, but his many friends at St. Dunstan's wish him every success in the years ahead.

**LEWIS VALENS A. MacDONALD—SCIENCE**

He is a leader; a leader in all respects.

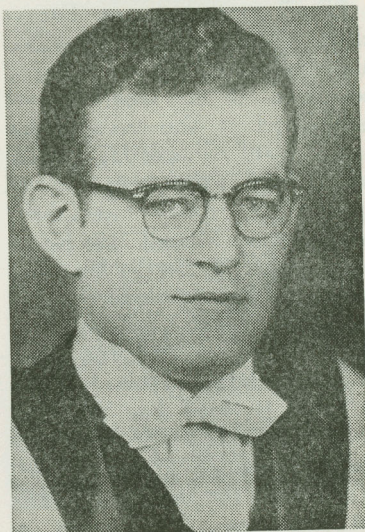

Lewis was born in Charlottetown on May 21, 1932, and received his early education there. He came to St. Dunstan's in the fall of '51 and since then has distinguished himself in both curricular and extra-curricular activities. He has been a member of both the senior hockey and football teams, the former for four years (two years as captain), and the latter for three years (one year as captain). He received his commission in the C. O. T. C., and now is an officer in the 5th. Signals Regiment in Charlottetown. Most important of all, Lewis has distinguished himself as an excellent student.

As a token of his ability and the respect he enjoys on the campus, Lewis has been presented with the athletic "D"'s and has been elected lifetime vice-president of his class. His future is uncertain, but he has his eye set on medicine. Best of luck, Lewis!

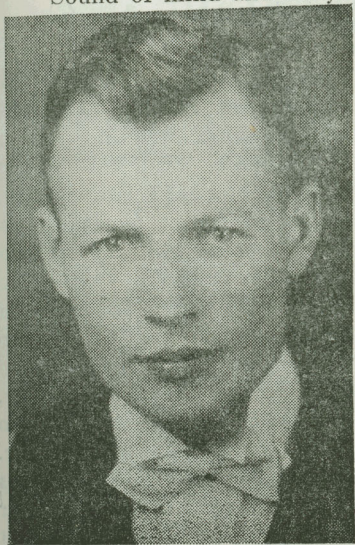

JOSEPH LEO McGINN—ARTS

"He builds too low who aims beneath the stars."

Born at Emyvale on January 29, 1933, Leo received his primary education there before entering St. Dunstan's in the fall of '50. A sincere and industrious student, Leo filled such positions as rink manager, vice-president of the A.A.A. assistant business manager and business manager of *Red and White*. He was also on the Executive of the Students' Union for two years, a member of M.I.D.L. and the efficient canteen manager for the past two years. Despite his extra-curricular activities he graduates this year with honors. His future plans are in the field of education, and with his talent we know that he will attain the success we wish him.

**RODNEY BERNARD McINNIS—ARTS**

"Sound of mind and body."

Rodney was born in Tignish, P. E. I. on February 11, 1934, received his early education there and entered St. Dunstan's in the fall of 1951. Rodney graduates this year with an Arts degree. His athletic abilities have won him "D's" in both football and hockey. Rodney was a very valuable member of the football team which won the Maritime Senior and Intercollegiate Rugby Championship in 1952 and again in 1954. Rodney was also an active participant in softball and track and field events. His service in the C. O. T. C. has qualified him as

a commissioned officer in the Reserve Force. Rodney makes no comment on his plans for the future, but his many friends wish him every success in whatever he may choose to do.

RUSSELL JULIAN McINNIS—ARTS

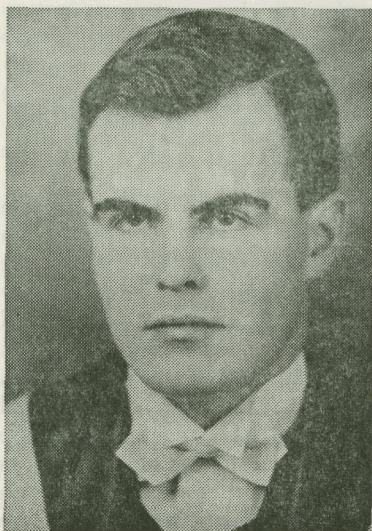

"Laughter and wit maketh the heart of any companionship."

"Rus" was born at Earncliffe, P. E. I. on Feb. 8, 1934, and after receiving his primary education at the local school, he entered St. Dunstan's in the fall of 1949. Possessing a keen wit and an eager sense of responsibility, Rus, since then, has proven himself to be a hard-worker, a true leader, and above all, a Christian gentleman. In the field of athletics, Rus has represented his class in all intramural sports. While at S. D. U., he has been a worthy member of the Student's Union executive and Red and White staff for two years; and for the past three years a member of the A. A. A., of which he is president this year. Regarding his acceptance of a position with the Hudson's Bay Co. in Winnipeg, we are confident a bright future awaits him. To you, Rus, from all of us at S. D. U. — the best of everything.

BENNETT GERALD MacLELLAN—ARTS

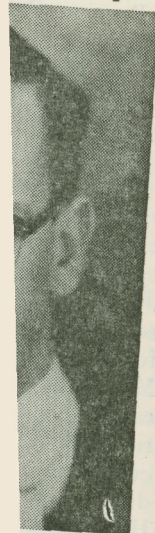

"The best thing in this world is to live above it."

Gerald, one of the more serious-minded of the graduates, was born December 6, 1931, in Summerside. In 1948 Gerry left his home in Grand River for grade ten at St. Dunstan's. After completing his Sophomore year, Gerry, by then nicknamed "Smokey", stayed home for a year to teach at Arlington school. He then returned to college to resume his studies, his athletic activities, and to gain a Bachelor of Arts degree. As for the future, Gerry plans to seek employment in Upper Canada. As for the present we wish him "all the best" in the future.

URBAN JOSEPH McLELLAN—ARTS

"A smile is worth the trouble, for a man's a man for all that."

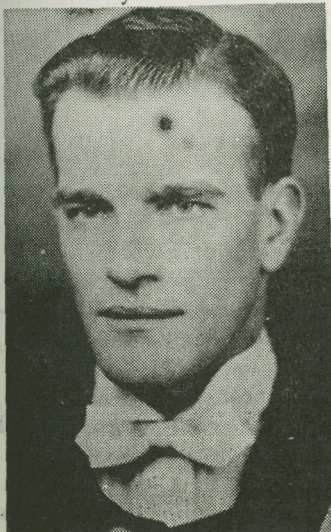

Urban was born at Indian River on August 1, 1934, and after receiving his primary education there, entered St. Dunstan's in the fall of 1950. A good student and a Christian gentleman, Urban readily accepted responsibility being: Sec'y Treas. of the Dramatic Society and a member of W. U. S. C. during 1953-54; Vice-president of the Student's Union and assistant business manager of the Red and White during 1954-55; and president of the Dramatic Society during 1955-56. He participated in all intramural sports. His ardent smile, his hearty laugh, and his

willingness to help others has won for him friendship of all. Next year he plans to work for the Hudson's Bay Co. in Winnipeg. Urban, may luck be ever yours, and may your future even surpass your past.

NOEL HUBERT MacMILLAN—SCIENCE

"Come let us go while we are in our prime and take the harmless folly of the time."

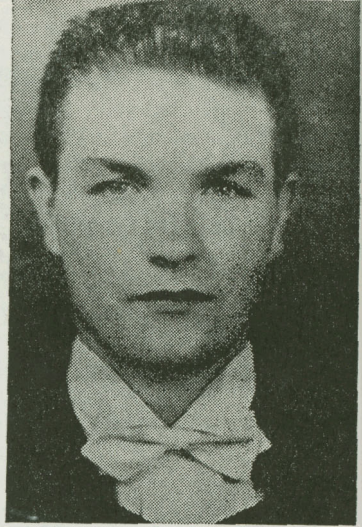

Noel was born in Charlotte-town on December 22, 1932. He received his primary education at Model School and Queen Square School. He obtained his junior matriculation from Prince of Wales College. In the fall of 1952 he entered S. D. U. and this year receives his Bachelor of Science degree. His plans for the future are at present indefinite, but we feel confident that he possesses the qualifications which guarantee success.

WILLIAM JAMES O'FLAHERTY—SCIENCE

"He set his heart on the goal, not on the prize."

Bill was born in Northern Bay, Conception Bay, Newfoundland on July 30, 1936. He received his primary education in his hometown, and acquired freshman status at St. Bonaventure's College, St. John's. He entered S. D. U. as a sophomore in the fall of 1952. He has qualified for the positions of Assistant Editor and Editor-in-chief of the Red and White; and he has taken part in the activities of the Dramatics Society, the C. O. T. C., and the M. I. D. L. Bill intends to further his studies in medicine at McGill University this coming fall, and so, to this Christian gentleman, go the best of wishes of his many friends.

**LEO DANIEL O'QUINN—SCIENCE**

"Good humor is goodness and wisdom combined."

Leo was born in Milville, Newfoundland on March 6, 1935. He received his primary education in three of Newfoundland's institutions of learning, St. Beck's School, St. Ann's School, and St. Bonaventure's College. He then decided to emigrate to P. E. I. for his higher education, and enrolled at St. Dunstan's as a sophomore in the fall of 1953. Leo, while at St. Dunstan's took an active part in all intramural competition as well as being a member of the M. I. D. L. for two years. His service in the U. N. T. D. has qualified him for a commission in the R. C. N. (R.). As for the future, Leo will be employed with the Civil Service Commission as a meteorological officer. Best of luck, Leo, in your chosen career.

"Freddy" was born on January 25, 1935 in Valley Junction, Quebec, and received his early education there. From there he went to St. Jean Eudes in Quebec City and St. Georges Seminary in St. Georges and came to Saint Dunstan's in the fall of '55. During his stay at St. Dunstan's, he has distinguished himself in both curricular and extra-curricular activities. He intends to return to Saint Dunstan's next year to take up engineering. Best of luck, Freddy!

JOSEPH VERNON RICHARDS—ARTS

"True to his word, his work, and his friends."

Vern was born in Bedeque, P. E. I. on August 4, 1929. He received his primary education at Saint Ignatius School, Hope River and Queen Square School, Charlottetown from where he graduated in 1946. After completing three years at Prince of Wales College he planned on coming to Saint Dunstan's, but ill health forced him to delay this for four years. Being a diligent worker and a persevering student he has been at Saint Dunstan's for three years and we now see him a member of the graduating class. He is senior representative of the W.U.S.C. and

N.F.C.U.S. Committee and a member of the M.I.D.L. Vern's future plans are indefinite, we are confident that with his hearty laugh and pleasant disposition that the future contains the fulfillment of his desires.

"To those who know thee not, no words can paint
And those who know thee, know all words are faint."

Art was born in Elmira, P. E. I. on July 26, 1934. He attended Elmira and O'Leary schools and later Prince of Wales College before coming to Saint Dunstan's in the fall of 1951. Art has shown himself to be an outstanding and popular student in every phase of college life as evidenced by the following of his more notable achievements: A member of the executive of the Students' Union for three years, twice as Class President and once as secretary of the Dramatic Society; a member of the cast of four college plays; track and field manager; this year's President of the M. I. D. L.; and Senior Class President for Life. Our prayers will follow you, Art, when you leave to continue your studies in the Faculty of Theology at Laval University.

PATRICK FRANCIS ST. CLAIR TRAINOR—ARTS

"A good sport, a true friend; what else counts in the end?"

Sainty was born at Kelly's Cross on April 13, 1935 and received his elementary education there. He first appeared on the S. D. U. campus as a Grade XII student in 1950, and B. A. Sainty participated as an executive member in various organizations including the Mission Society, Dramatics Society, and W. U. S. C. This year, he was Sports Editor of the Red and White. Sainty's plans for the future are as yet indefinite, but all his friends wish him much success in the years to come.

JOHN PATRICK WALSH — ARTS

"Amicus Plato, amicus Socrates, sed major veritas."

John was born in Charlotte-town on August 24, 1934. He received his early education at Queen Square School and subsequently entered St. Dunstan's in 1950 commencing with grade eleven. His notable achievements in M. I. D. L. competition have merited for him distinction as an outstanding orator. Participating in three intercollegiate debates, he demonstrated his abilities in this field by winning two. The fact that he has been chosen valedictorian is further proof of his oratorical abilities. He participated as a member on the executive of the M. I. D. L.

during his final year and was on the Red and White staff in 1954-55. His ready wit and jovial personality have won him many friends. Although John's future plans are indefinite, we are confident that his endeavors will be crowned with success.

"Large was his bounty, and his soul sincere."

Dick was born at Summerside on November 29, 1934, and attended the local high school and Seminaire de St. Jean before coming to St. Dunstan's in the fall of '51. A capable and industrious student, he was chairman of the WUSC-NFCUS committee and our representative at the World University Service Seminar and study tour in Japan last summer. Last spring he was elected Students' Union President, a responsible office which he handled with great efficiency. Dick plans to return next year for science courses, and armed with the high ideals

of his Alma Mater we know that he will attain the success and happiness his many friends wish him.
