

ATHLETICS

Intermural Baseball.

The intermural baseball season was inaugurated this year under very favorable auspices. A league was formed comprising four teams, the Giants, Red Sox, Cubs and Braves. These teams were managed respectively by Tidy, Bud, Bushy and Pontiac. The first game of the league was played early in May, Tidy the manager of the losing aggregation tossing the first ball, but although he mistook the backstop which had blown down, for the plate he was unable to put over a strike, and retired to the manager's bench vigorously protesting the umpire's decision.

Up to the time of writing the Red Sox are in the lead, but manager Bushy of the Cubs hopes to displace them soon, as he has acquired a new fielder in the person of "Martin" whose natural ability to cover ground makes him a valuable asset to the team. Pontiac not to be outdone has secured the services of a famous "soccer" player from Newfoundland, who, forgetting in his first game that he was playing baseball, stopped a line drive with his head. The ball not being accustomed to coming in contact with such solid material had to be replaced.

The brand of ball put up on the college diamond has been really good, and as a result a Varsity team has been developed which has given a very good account of itself, as will be seen below.

L. O. C.—8.

S. D. U.—5.

The first outside game of the season was played with the League of the Cross on May 14th at Victoria Park. Although the result gave the League the long end of the score, the Saints won many plaudits from their numerous admirers for their clean sportsmanlike playing. At all stages the game was full of "pep" that was put into it by both teams, who played, fast, snappy ball throughout.

Doyle and Gillis, the battery for the Saints worked particularly well and their rivals Kinsman and Francis were most effective. "Red" O'Brien, the fast left fielder of the Saints and who

hails from New Brunswick, the home of all good ball-players, robbed the League batters of several clean hits by hauling down three long ones at different stages of the game. In the sixth inning McQuaid's three bagger with the bases full gave the League a three run lead which they held to the end.

The following is the line-up of both teams:—

S. D. U.		L. O. C.
Gillis	Catcher	Francis
Doyle	Pitcher	Kinsman
Burgess	1st. Base	Arsenault
McAulay	2nd. Base	Ryan
McDonald	3rd. Base	Corrigan
Hughes	S. S.	K. Howatt
O'Brien	L. Field	Cronin
Enright	C. Field	McQuaid
McCarthy	R. Field	Howatt

The second game between the L.O.C. and S.D.U. was played at the Abegweit grounds on May 21st, the Saints winning by the score of 6—4. It was a game featured by splendid pitching, fast base running and snappy fielding. O'Brien again distinguished himself by making several spectacular catches, while Burgess on the premier sack did splendid work. The Saints' battery was the same as in the previous game. Howatt started the game for the L. O. C. team and lasted seven innings being relieved by Kinsman for the remainder of the game. We hope to play the deciding game in the near future. The following was the line-up of both teams.
