ANNUAL RETREAT

Tuesday, April 21st, marked the beginning of one of the most important events of the college year the annual retreat. During the days following, set apart for the consideration of "higher things," all class-work and study was suspended and silence was observed by the students. It was a time for devotion, meditation and self-reflection.

This year's retreat was preached by the Rev. Martin Monaghan, D. D. of Miscouche—a welcome friend of those students who had listened to his discourses on a similar occasion a few years ago. The Reverend doctor expounded the life of Christ simply yet clearly and forcibly showed the sublime truths and deep lessons to be drawn therefrom. It was a pleasure to listen to his sermons and at the end of each conference, every student had something new on which to reflect. Let us hope that the impressions made by Dr. Monaghan may be lasting and that those sound moral principles so conducive to eternal happiness have been laid during the past retreat.

CONGRATULATIONS

It is again our pleasant duty to chronicle the advent to the clerical life of two more of St. Dunstan's College graduates. Revs. Owen Kiggins and Leo Herrel both of '10 class, who have, during the past few years been pursuing their theological studies at the Grand Seminary, Quebec will be elevated to the holy priesthood on June 14th next. The ordination ceremonies will take place in St. Joseph's Church Kelly's Cross and will be performed by the Papal delegate Mgr. Stagni of Ottawa. On behalf of all their friends in and about St. Dunstan's the "Red and White" extends its heartiest congratulations to these gentlemen.
