

# College Chronicle

Another year draws to a close; and it has been one of the most successful in St. Dunstan's history. This is so for many reasons. We might mention three. First, student activities went on remarkably well, the highlight of the year being the C. F. C. C. S. Convention held here February 28th to March 3rd. This was both enjoyable and educational to all of us. The second reason is the great forward step which the College has taken this year by granting its own degrees. This has been treated by the Editor in another part so it is enough for this department to state that we are proud to be among the first classes to go out with St. Dunstan's degrees. Finally, there should be mentioned the C. O. T. C. activity. The men concerned—especially senior men—were kept rather busy at times; but they thoroughly enjoyed their work under the capable and considerate guidance of the O. C., Father (Major) George MacDonald, and the instructing staff, Major Tierney and Sgt. Emslie.

The first formal Mess Dinner of the St. Dunstan's C. O. T. C. was held in the College dining hall, Monday evening, April 28th. Arrangements were in charge of Lts. McGrath and MacDonald, and Cdt. Connolly. Officers of the function were:
