THE STELLA MATUTINA

We take this opportunity to welcome to our desk this excellent magazine from St. Thomas Seminary of Bloomfield, Connecticut. It is definitely literary in tone with well written articles covering a wide range of topics. Among these there is one thought-provoking essay entitled *It Started Twenty Years Ago* on the main events of the German history since the Great War.

We congratulate the *Stella Matutina* on the occasion of its Silver Jubilee which it is celebrating this year and wish it every success in the future.

THE HOLY CROSS PURPLE

The *Purple* comes to us each month from Worcester, Massachusetts. The outstanding feature of this magazine is its short stories. The short story today is overworked and often ill-written. Neither of these criticisms can be leveled at the *Purple* for its stories are well-chosen and well-written. They are liberally interspersed with interesting articles. For a bit of refreshing satire, read *Manifest Destiny* in the March issue.

THE XAVERIAN WEEKLY

Among the newsiest of the weeklies received is the *Xaverian*. It is up-to-date on all Maritime Intercollegiate activities which are of interest to students. Many choice tid-bits are to be found in *Pot Pourri* and *Hooey Ya Love*. Many and varied are the topics of current interest which make this paper a worthy member of the C. U. P.
