

BIG CHANGES EXPECTED NEXT YEAR FOR S. D. U. ATHLETIC DEPARTMENT

A new look in the SDU Athletic Department is in store for next year, it was learned during the past week. In keeping with the more progressive changes made during the past two years, the Athletic Department has shifted its personnel to implement new policies in Varsity and student athletics.

According to the changes made, Ed Hilton becomes Athletic Director, succeeding A. J. MacAdam, who has held the post for four years. Mr. Hilton retains his coaching positions with the Varsity football and basketball teams, but drops his duties as Freshman Counsellor, to be assumed by Mr. MacAdam in his new role.

In hockey, Jack Kane, who has coached the Varsity team for the past four seasons, comes on as full time hockey coach, and as assistant football coach.

NEW LOOK IN ATHLETICS

These changes, rumored and speculated around the campus for some weeks now, are expected to bring a new outlook on the athletic scene at St. Dunstan's.

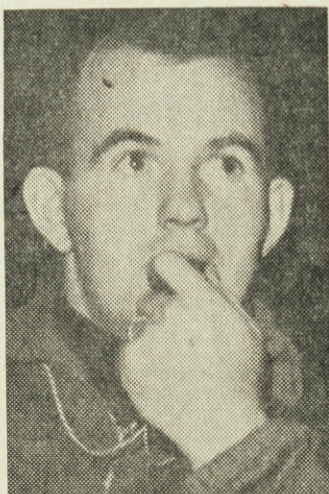

Already there are signs of big things for next year, and to no one's surprise, hockey leads the way. St. Dunstan's will automatically represent the Province at the Quebec Winter Games next February, a week-long competition representing the cream of inter-collegiate hockey in Canada.

ED HILTON

A. J. MACADAM

JACK KANE

resenting the cream of inter-collegiate hockey in Canada. All expenses will be paid by the Canadian Centennial Commission in conjunction with the 1967 centennial activities.

There has been a great deal of back ground work done for next year, both in football and hockey, with special emphasis in recruiting. For the first time, St. Dunstan's will have a first hand look at any prospects in the Ontario-Quebec area. Mr. Kane and Mr. Hilton will probably leave some time this week for an extensive scouting trip.

NEW SCHEDULES

The schedules for the three Varsity teams have been drawn

up, and for hockey, in accordance with the commitments at Quebec. In all probability, SDU's chances at a Maritime Title will have been decided by the time the Saints leave for Quebec, so this should prove beneficial in respect to the games themselves and to the regular MIHL schedule. St. Dunstan's finished in second place in 1965-66.

In intramural sports, there will be a departure from the traditional system now used. Although the Amateur Athletic Association will retain direction and supervision of the various leagues, the Athletic Department will have an increased affect on the operation

of the leagues.

HINTED FINANCES

However, there has been nothing definitive decided on this point, since representatives of the A.A.A. and the Athletic Department will have to work out a solution. One of the biggest problems with the present setup is the fact that the A.A.A. does not have the finances and facilities to direct a complete program.

Announcements on further changes are expected shortly, or at least, as soon as the details have been worked out by the administration and the Board of Governors.

A. A. A. NEWS

As the term comes to a close, inter-class athletics are coming to an end.

In the rink, at the conclusion of Intramural Hockey play, the Juniors led by League scoring champ Sandy Murphy finished on top, the second slot going to the Sophomores, third and fourth places going to the Seniors and Freshmen respectively.

In the semi-final round of playoffs, the Juniors and Sophomores met in a best of five series. With tempers high and spirits higher these two fine teams battled for the coveted league trophy.

The fast skating Sophomores led by this years most valuable player, Eugene Murphy, downed the Juniors in the fourth game of the series. Irrespective of ice conditions, the play was fast and chippy. Rick O'Donnell, Dave O'Brien, and Mike Kelly kept the games clean with tight officiating.

On the Buzzer level, after a close race which necessitated

playoffs for season standings, the finals got under way with the Junior "B" Team pitted against the scrappy Sophomores, and the Seniors matched against a much stronger Junior "A" Team led by Alex MacAuley and Walter Bradley. In the end the Sophomores swept the series 2-1 and collected the trophy.

On the Basketball court after a hard season's play, the Seniors finished undefeated only to drop the first two games of the semi-finals to the Juniors led by high scorer and M.V.P. Barry Puia. In the other series, the Freshman "A" team and the Sophomores have gone into a five game series which will decide the championship.

The Annual Awards Banquet will be held on April 15. This affair promises to be the greatest yet with approximately two hundred attending.

We have had top inter-class competition along with the usual tremendous varsity hockey program.

A. A. A. STANDINGS March 13

With the playoffs nearing in the intramural Buzzer leagues the race has gone down to the line. In all sports each class has presented formidable teams making competition keen and the calibre is the best in years. In hockey the strong Junior team, led by the leagues highest scorer, Sandy Murphy, stand on top. In second place, one game out are the Seniors. The league play has been very close and the spirits are quite high on all teams. Jerry Doyle is to be commended for his fine job this year.

ional High. Hopefully we can expect more victories from them next year with the combined efforts of some promising Freshettes and experienced players like Carol Ann Power and Peggy MacDonald.

At a recent meeting Wilson Shea, Soph. Arts, was voted the M.V.P. in intramural football.

The annual Awards Banquet is set for April 13, the first Wednesday after the Easter holidays. This event promises to be the biggest yet with over 175 invitations to be sent out.

HOCKEY SCHOLARSHIPS OFFERED AT MANITOBA

WINNIPEG (CUP) -- Because of the initiative of a well-known Canadian brewery, The University of Manitoba will become the second university in Canada to offer hockey scholarships to graduating high school students.

Molson's Fort Garry Brewery announced they will offer ten scholarships of \$500 each to freshman applicants at U of M and Brandon College next year.

Scholarships will be awarded on the basis of hockey ability, scholarship and character.

The selection committee said although these were hockey scholarships, academic excellence would not be overlooked.

Sitting on the Winnipeg selection board are: Dr. F. W.

Kennedy, head of the physical education department at U of M; Vic Lindquist, a former Olympic hockey referee; Noel Fibey, past president of the Winnipeg minor hockey organization; and Russ Deeb, general manager of the brewery.

Molson's is currently sponsoring a similar program at the University of British Columbia. The purpose of the program at both universities is to "enable young men with demonstrated hockey ability to further their education and continue to develop their hockey talents," said Mr. Deeb.

Dr. Kennedy was elated about the assist the scholarships would provide in educating prospective hockey players and the good it will do the Bison team.

(TIME) COLLEGE BASKETBALL

The Miners' Major Upset

Coach Don Haskins of Texas Western College was reminiscing before the finals of the N.C.A.A. championship in which his Miners would face the nation's top-ranked Kentucky Wildcats. Haskins used to play under Oklahoma State's legendary Hank Iba, and "one night after a game, I tell asleep listening to him talk about stopping the fast break. He hit me with an eraser. If I missed anything then, it'll surely show up here." Haskins, it turned out, did not miss much. While he yelled encouragement from the sidelines, Western's all-Negro five effectively buried Kentucky's fast break with pinpoint control of their own backboard, inspired hustling and just plain scrappy play. The final score: 72-65.

For the Miners, it had been a long haul. Their impressive 27-1 season record had virtually demanded at least the No. 3 rank in the nation. Unconvinced outsiders claimed that the team had not really faced tough competition. Kentucky was certainly that. Coached by Old Master Arold Rupp, the Wildcats were an impeccable, diligently honed unit. But the Miners, as one opposing coach observed, "don't let you play the way you want to." And they didn't let Kentucky. From the opening jump off between Miner David Lattin and Wild-

cat Thad Jaracz, they had Kentucky off balance and off the goal. Midway through the first half, when Bobby Joe Hill, 21, Texas Western's stand-out guard, cleanly stole the ball twice in a row at mid-court, the Wildcats went into a reel that they never quite pulled out of. With a defense that strangled Kentucky in close and on the outside, Texas Western just kept pulling away by leaps and bounds until the final horn crowned them the national champions.

At the National Invitation Tournament in Manhattan, the route to the top was more predictable. After edging Army, top-seeded Brigham Young University found itself in the final with the very upsetting Violets of New York University. N.Y.U. had been invited almost as an afterthought and had gratefully beaten every team it faced. But the streak could not go all the way, even when Brigham Young's All-America Dick Nemelka got sidelined by foul trouble. Forward Gary Hill filled the gap left by Nemelka by scoring 21 points, 13 more than his season average. The whole Brigham Young team played such thoughtful run-and-shoot basketball that, after its 97-84 win, Coach Stan Watts gleefully added two words to the frequently used description of the Cougars' style, making it "wild and woolly — and calculated."
