Bird: Invisible and insane.

A Cigarette's Boast

I'm not much of a mathematician, but I can add to a Student's nervous troubles, I can subtract from his physical energy, I can multiply his aches and pains and I can divide his mental powers, I can take interest from his work, and discount his chances of success.

War on the Campus

A Tank ran over a peanut, a shell exploded and crushed two kernels.

Mason: Where are you going?

Scotty (knocking at prefect's door:) "Oh! only on a whaling expedition."

Power thinks that Sardinians are people who pack sardines.

Prof: "Did you ever have Physiology?"

Cow: "No but I had the Mumps.
