In Memoriam

Mr. Arthur McQuaid

On January 29th, Mr. Arthur McQuaid of the class of 1905 died in the Charlottetown Hospital. After graduation he took up the study of law and was a lifelong practitioner in his native town of Souris. He was ever a loyal Alumnus of the College, and frequently attended meetings and reunions. For a number of years past he was a member of the Board of Governors. The press has just announced that his will provides a bequest of \$3500.00 to the building fund and \$1000.00 to the Alumni Association thus proving his devotion to his Alma Mater; He will be remembered by his friends and acquaintances as a Christian gentleman. May his soul rest in peace.

Red and White extends sincere sympathy to Father Ellsworth on the death of his brother, and to James Ayers, on the death of his father. May their souls rest in peace.

St. Dunstan's more than ever in the past few years has become a recognized power in Maritime athletics. These years have seen our teams become strong contenders for Maritime Intercollegiate honors in football and hockey, and for two years now the basketball team has journeyed to New Brunswick for games with Mt. Allison and St. Thomas. This is a far cry from the war days when intercollegiate competition with the mainland was discontinued. It is a far cry also from the basketball of eight or nine years ago when any St. Dunstan's team was delighted to compete even in Charlottetown. Athletic competition involving teams from St. Dunstan's has increased greatly in quality. Some hockey teams have competed in two leagues, playing more than 20 games in a single season.

In the light of all this it would not be unreasonable for all at St. Dunstan's to remember that we are still a little college. Most of our rival colleges boast seven, eight, or nine times more University students from which intercollegiate teams are chosen. In athletics

St. Dunstan's will hit rough times in the future. Sports at S.D.U. must never interfere with studies or the practice of the Faith. There is no need yet for alarm, but it would be well to remember that the temptation to overemphasize athletics is always present. We are still a little college. We are not an athletic institution as some colleges seem to be today. It is up to those who love sports to see that we never do become athletically insane. But it would not be a kind reflection on us if we deserted our teams at times when they might need support most. Human nature is never so cowardly as when it deserts a team which, although losing, is never quitting.

One of the most patronized, and one of the most appreciated buildings on the campus is the rink. It would be difficult to exaggerate its popularity and its contribution to the welfare, both physical and mental, of S.D.U. students. In autumn it is a playhouse for nearly 200 basketball enthusiasts; in winter it is headquarters for the most ardent of all St. Dunstan's athletes—the hockey player and the skater. It is no secret that the rink does not permit everyone to get as much hockey as might be desired, but neither is it as inadequate as some complain. This writer believes the rink gives its greatest service in the evenings when everyone who owns a pair of skates, glides, scrambles, or falls over the icv surface. Skating in the rink seems to be an excellent recreation for college students. Here is where, for an hour, he or she can forget the well filled campus day and relax before returning to the books. And, indeed, it is here that he or she does relax. There are no happier people on the campus than those who appear on the ice after supper, and a prayer by all of us could be that it will continue for many years to contribute to our health and contentment.

BASKETBALL

In the opening observations of this section in the fall issue of Red and White a comparison was made between hockey and football as major sports at St. Dunstan's. As far as the comparison went it was true. But if football and hockey are major sports on the campus so, then, is basketball. There are probably more basketball players than there are either football or hockey players. Almost 200 basketball players out of approximately 260 resident students is an exceptional percentage. In short it tells the story of a phenomenal rise in popularity for this game which only a few years ago was a minor sport.

THE SENIOR TEAM

This year's senior basketball team, coached by Rev. Walter McGuigan, is one of the youngest ever to wear the colors of Red and White. One regular is from high school, three are Freshmen, two are Sophomores, one a Junior, and one a Senior, which is a pretty good cross section of College classes.

Here are short sketches of the team members:

BILLY READY is the team captain who sometimes moves up to the centre from his regular guard position. Billy specializes in removing rebounds from the backboards.

WILLIE MACDONALD or "Big Willie" is one of the outstanding guards in Island Basketball, and always dangerous on the attack. This is Willie's last year with the Saints.

CYRIL MCISAAC is one of the three Freshmen on the team and in his first season has proved himself a capable guard.

JACK REARDON is the team's leading scorer, Jack hails from Augusta, Maine, and although still in High School and of juvenile age, is certainly the outstanding rookie in the Island league.

DAVE KENNEDY a sophomore from St. John N.B. has been a welcome addition to the forward line and is one of the team's leading scorers.

PETE DUNPHY is Freshman number two. Peter is an outstanding scorer besides being an expert ball handler.

JOE MULLALLY is the third Freshman and the smallest member of the team who gets his share of points.

FRED COYLE is the second Sophomore on the senior team and no one takes the game more seriously. After a slow start Fred became one of the team's most reliable point getters.

REG DOUCETTE is team manager for the second successive year and his experience is seen by the smooth way the basketball affairs were handled.

SENIOR GAMES

Again this year Father McGuigan has come up with a contender for provincial honors in basketball. The team finished the regular

RAY'S 50

Island league schedule in a tie with Ray's Millionaires for second place. The Saints won seven games and lost three. In the semi-final playoff the Red and White was scheduled to meet Ray's Millionaires. Here it should be noted that Jack Reardon, young High School star of the team, scored a total of 43 points in one game to set a new individual scoring record for St. Dunstan's.

Here are the summaries of regular league games.

SAINTS 58

The St. Dunstan's senior basketball team opened the Island league with a 58—50 victory over Ray's in a fast but rugged game in which 28 fouls were called by referee Earl Goss. At half time the Saints led 18—17 but their superior condition helped them increase their lead in the final half. Jack Reardon with 21 points was high scorer for the Saints, while Walter LePage with 19 led the Millionaires.

SAINTS 67

SCHURMAN'S 33

Led by Jack Reardon who scored 29 points the S.D.U. seniors gained possession of the first place by trouncing Schurman's of Summerside 67—33 in an island league game played at P.W.C. auditorium. At half time the Saints led by 16 points and increased that lead in the second half as they used a fast break to good advantage.

SAINTS 41

R.C.A.F. 53

The Saints senior squad on its first trip of the year suffered its first defeat by losing to the Summerside R.C.A.F. 53—41 in an exceptionally clean game of basketball played at the R.C.A.F. station. The airmen won by better all round shooting accuracy. Mickus and Button were high scorers for the airmen with 12 points each. Only 12 fouls were called with nine of them going to the airforce.

SAINTS 57

SCHURMAN'S 36

The Saints made their second journey to Summerside a triumphant one as they walloped Schurman's 57—36 in what was easily the cleanest played game of the schedule. Only one foul was called against the visitors while the home team was penalized six times. For the Saints Jack Reardon and Pete Dunphy were high

scorers; for Summerside the leading point getters were Harris and Ryder.

SAINTS 38

R.C.A.F. 52

The R.C.A.F. hoopsters were too much for the Saints' seniors for the second time in as many meetings as they outscored the Red and White 52—38. The game was one of the most rugged of the year. After a slow start which saw the airmen lead 14—11 at half time, both teams speeded up the pace, but the airmen with more experience, smoother passing and better accuracy came out on top. Eckley led the airmen with 11 points, while Jack Reardon with 18 again led the Saints.

SAINTS 75

P.W.C. 63

The first meeting of the local college teams resulted in the fastest and highest scoring game of the season up to this time. The Saints with Jack Reardon garnering 30 points came out on the long end of a 75—63 score. For P.W.C. Don McLean with 24 points was high scorer.

SAINTS 50

RAY'S 63

The Saints suffered their most disappointing defeat this season as Ray's Millionaires breezed to a 63—50 win in a hard fought, wide open game. Ray's led by two points at the end of the first half, and increased their lead by eleven points in the second. For Ray's, Earl Nicholson, shooting with amazing accuracy, was high scorer with 23 points, Jack Reardon was again high for the Saints although held to 15 points by the close guarding of Irving McKinnon.

SAINTS 68

ARMY 46

The Saints had little trouble running roughshod over a weak Army team 68—46 in a ragged game brightened by occasional scoring flurries. For the Saints Jack Reardon with 26 points and Freddie Coyle with 18, were top scorers. George McLennan, with 22, led the Army team.

SAINTS 66

P.W.C. 49

The senior Saints, on the threshold of the playoffs, kept in form by easily trimming their college rivals 66—49. The S.D.U. scoring was more widely distributed than usual with Fred Coyle, Dave rris and

SAINTS 90 ARMY 53

The St. Dunstan's basketball team ended the regular schedule in a tie for second place by walloping the Army 90—53 in the highest scoring game of the season. In this game Jack Reardon broke a St. Dunstan's record by scoring 43 points.

JUVENILE BASKETBALL

This Year the populatity of basketball was further testified to when a juvenile team from St. Dunstan's entered a five team city league. Although short on practice the Saints made a good showing and as **Red and White** went to press were holding firmly to second place.

The team coached by Father McGuigan and managed by Reg Doucette includes, A. Murphy, E. McKinnon, F. Driscoll, St. Clair Callaghan, K. Grant, R. McQuaid, K. MacDonald, R. Gaudet, J. Fisher, S. Delory, and R. Duffy.

The summaries are as follows:

SAINTS 39

RAMBLERS 18

The Saints made their debute in the juvenile league a good one by downing the Ramblers 39—18. The eager juveniles were led by Arnold Murphy, who scored 18 points.

SAINTS 34

VICS 31

In their second league game the Saints took over first place by edging the Vics 34—31 in a thrilling game that saw three Saints banished for fouling. Arnold Murphy with 20 points was again high scorer for the Saints.

SAINTS 38

RAMBLERS 28

For more than half this game the league leading Saints had their victory streak threatened as the Ramblers battled to hold an early lead. A powerful second half offensive sparked by A. Murphy, who scored 20 points in it, carried the S.D.U. team to a 38—28 victory.

SAINTS 32

VICS 37

The S.D.U. juveniles went down to their first defeat of the season when the smooth working Vics edged them 37—32 in the first overtime game of the year. High scorer for the Saints was Freddie Driscoll.

SAINTS 19

ABBIES 32

The Saints weakened by the loss of high scorer Arnold Murphy dropped deeper into second place as the Abbies beat them 32—19. McKinnon with eight points was high scorer for the Saints, while McNaught with 16 led the Abbies.

INTRAMURAL BASKETBALL

Eight teams took part in a closely contested intramural basketball schedule. The regular schedule finished with the Freshmen leading. Three other teams made the playoffs. They were: Sophomores, Juniors, and Grade XII. The upset of the season was the failure of the powerful Senior "A" entry to make the playoffs

The high scorers during the league were: Arnold Murphy—Freshmen—120 points; Stan Deighan—Grade XII—90 points; Ray McCarville—Seniors—82 points.

The Freshmen and Grade XII met in the finals after eliminating Sophomores and Juniors respectively. In a series which featured close defensive play the Freshmen won the 1949 Intramural Basketball Championship by scores of 19—14, and 19—10.

FRESHMEN LINEUP: J. O'Brien, C. Callaghan, J. Clarkin, A. Murphy, E. McKinnon, F. Driscoll.

Besides the intramural league there were 18 juvenile teams in action, six belonging to the college league and twelve to the High School League. This brought to 27 the number of basketball teams playing in organized leagues on the campus.

HOCKEY

The senior team was promised plenty of competition when it learned that it would compete in the six team Island Intermediate "A" Hockey League, as well as a four team N.B.—P.E.I. Intercollegiate League. The entry taking part in the Island league was somewhat different in makeup from the intercollegiate team due to the ineligibility of four star players, Joe Mahar, Reg Rodgers, Stan Deighan, and Cliff Bernard, for intercollegiate competition. The Saints, incidentally, entered the island league on the provision that they would not have to register for Maritime playoffs.

THE HOCKEY TEAM

Here are brief sketches of the individual members of the team.

FRANK STRAIN is the permanent goalie who was one of the outstanding players on the team. Consistent and frequently brilliant, Frank is one of the island's top netminders.

MIKE HENNESSEY is the real veteran of the team who like Frank is playing his last year for the Saints. Mike is a player who uses his head as well as his stick and was an ideal captain for this year's team.

GEORGE MCRAE is a rugged defenceman who was a welcome addition to the team. George plays his position seriously, willing to let his team-mates score goals while he works to prevent any being scored against his team.

JIM AYERS with every game improved at his regular defence position, and this season rushes with the best.

JOE MAHAR is another veteran of S.D.U. hockey. It is no surprise that Joe is again this year one of the teams leading scorers, and a necessary spark to the Red and White.

REG RODGERS is a versatile player who is usually found at left wing. This is Reg's last year with the Saints who will miss his speed and aggressiveness.

ALLISTER MCISAAC is a regular first team man again this year and the wiry right winger has helped with many timely goals.

CLIFF BERNARD is a scrappy little right winger who is one of

the season's outstanding performers, and when the scoring figures are released Cliff's name will be near the top.

STAN DEIGHAN who along with Mahar and Bernard make up the Saint's highest scoring line. Stan, at left wing, has been one of the team's most consistant scorers.

WILDOR HOUDE is right wing on the second line. Will, by reason of his terrific shot, is one of the team's most dangerous scorers.

ALLISON FARMER is one of the team's hardest workers who never seems to tire. The "Ace" is having his most successful season with the seniors.

GERRY MCQUAID came out of retirement in the latter stages of the season to be one of the stars in the winning of the Island Intermediate Championship.

FERNAND DESROSIERS is a Quebec boy playing his first year with the senior team. He is a strong skater and fills in quite capably on the second line.

RAYMOND DELAGE is another hard skating Quebecer who saw most of his action with the intercollegiate team.

CHARLIE CHEVERIE, PHIL MURPHY, MARK MCQUAID, MAURICE GAGNON and sub goaler PAUL FRADETTE also saw some action with the Saints during the year.

JOE SHREENAN who played in three intercollegiate games was this year's hockey manager, and did a commendable job.

ISLAND INTERMEDIATE LEAGUE

The S.D.U. entry in the Island Intermediate "A" League proved to be one of the top teams by finishing its ten scheduled games with seven victories and three defeats, which record was good for second place. Joe Mahar and young Cliff Bernard, playing his second year with the Saints, led the S.D.U. scorers with 30 and 28 points respectively.

Here are the summaries:

SAINTS 4

ABBIES 6

The S.D.U. hockey team's debut in the island league was

spoiled when the Abbies upset the Saints 6—4. The game was ragged from start to finish with the Saints in particular showing lack of practice.

In the first, and dullest period, the Abbies took the lead on a goal by Kennedy. They were never headed as they scored three in the second and two in the third. Farmer and Mahar scored for the Saints in the second, and Mahar and Rodgers in the third.

SAINTS 7 VICS 4

Displaying a powerful second period onslought that netted them four goals the Saints gained their first Island league win by beating the Victorias 6—4.

For a period and a half the Saints widely outplayed the Vics, and built up a 6—0 lead on two goals each by Bernard and Deighan, and singles by Rodgers and Farmer. After that the Vics came to life and scored four times in the latter part of the second and early in the third. At 9.50 of the third period Stan Deighan made victory certain for the Saints with his third goal of the evening.

SAINTS 7 P.W.C. 4

For the second game in a row the Saints made a big period count as the five goals they scored in the second enabled them to coast to a 7—4 victory over P.W.C.

The Saints were led to victory by Cliff Bernard who scored three goals in the first period. Other Saints' scorers were Wildor Houde with two, while Mahar and McIsaac got single tallies in the second and third periods respectively.

SAINTS 1 ABBIES 2

In a game featured by the excellent goal tending by Strain of the Saints and Hooper of the Abbies, the Abbies edged the Saints 2—1 to consolidate their hold on first place. All the scoring was done in the second period. LeClair and Josey scored for the Abbies while Stan Deighan got the lone S.D.U. marker. The game left the Saints lodged in third place.

SAINTS 5 VICS 2

The Saints scored five goals, all in the second period, to beat the Vics 5—2, which was their second win of the season over the city team. Deighan opened the scoring with a goal early in the third period. McIsaac followed with one for the Saints and MacDonald tallied for the Vics. Deighan, Farmer, and Houde increased the S.D.U. total to five before the period was over. The Vic's star, Cecil Dowling, scored the only goal of the last session. Frank Strain in the S. D. U. nets played an outstanding game in holding the Vics to two goals.

SAINTS 10

CRYSTALS 4

The Saint Dunstan's senior hockey team trampled Summerside Crystals 10—4 in a rough and ready encounter which was conspicious for its 23 penalties.

The Saints were led to victory by their top line of Mahar, Bernard, and Deighan. Bernard scored four times, Mahar twice and Deighan once. Other St. Dunstan's scorers were Ayers, Farmer, and Rodgers. Kelly led the Summerside attacks with two goals.

SAINTS 5

CRYSTALS 4

St. Dunstan's took over second place in the Island Intermediate "A" Hockey League as they eked out a 5—4 win over the Crystals at Summerside.

All the Saints' goals were scored by the first line. Mahar scored two in the first period, Cliff Bernard two in the second, and Deighan, a native of Summerside, got the winner in the third. The Crystals scoring was done by Davis, Grady, Trainor and S. Bernard.

SAINTS 4

P.W.C. 5

The P.W.C. Welshmen pulled one of the biggest surprises of the season as they downed their college rivals from St. Dunstan's 5—4.

P.W.C. jumped into an early 4—2 lead at the end of the second period on goals by Downe, McLean, Nicholson, and MacDonald, while Rodgers and Desrosiers scored for the Saints.

The Saints' last period effort fell short as two goals by Houde and Desrosiers put them within one goal of the Welshmen.

SAINTS 7

R.C.A.F. 6

Joe Mahar led the Saints to a close 7—6 victory over the Summerside R.C.A.F, in the first meeting of the season between the two teams.

The Saints earned their margin of victory in the third period by outscoring the Airmen 3—2. In this period Mahar scored two of his four goals, while Will Houde got the other. The other Saints' goals were scored by Rodgers and Bernard.

SAINTS 16

R.C.A.F. 5

The S.D.U. entry in the Island Intermediate League finished the regular schedule with the highest scoring splurge of the season as they overwhelmed the R.C.A.F. 16—5.

The game was a one sided affair right from the start as the line of Mahar, Bernard, and Rodgers led the Saints to victory with a total of 26 scoring points. Joe Mahar's seven goals were a season's high. The win assured the Saints of second place in the final league standings.

INTERCOLLEGIATE HOCKEY

The St. Dunstan's entry in the N.B.—P.E.I. Intercollegiate Hockey League ended the regular schedule in last place winning only one of its six games. The Saints were hardly outclassed in the league, and while on the losing end of most games, they played all games to the hilt and all opponents knew they were in hockey games.

The summaries:

ST DUNSTAN'S 3

MT. ALLISON 8

The S.D.U. intercollegiate team lost the league opener to Mt. A. by an 8—3 score. Mt. A's powerhouse tactics paid big dividends as they found it easy to keep the puck inside the Saints' blue line. Houde of the Saints opened the scoring in the first period, but the Mounties on goals by Cullen and Wilson took a first period lead that was never in danger. Gerry McQuaid and Desrosiers scored the other Saints' goals, while Eastman, Duffy, Cullen, Whalen and Matheson were swelling the Mt. A total.

ST DUNSTAN'S 0

U.N.B. 7

A big, hard skating team of hockey players from the University of New Brunswick handed the Saints their worst intercollegiate defeat in years as they shut out the Red and White squad 7—0.

The U.N.B. team took a big 4—0 lead in the first period as Frank Strain and Mike Hennessey were forced to rise to the heights, defensively in lieu of any offensive. U.N.B. added two more in the second period and one more in the early part of the third to earn their 7—0 victory.

ST DUNSTAN'S 5

ST. THOMAS 6

The St. Dunstan's team went down to its third straight defeat in intercollegiate competition as St. Thomas won a hard fought game 6—5.

The Saints outscored the Tommies in both the first and third periods, but much carelessness in the second period enabled the Chatham Collegians to score four goals, which gave them a lead that could not be wiped out by the local students. The St. Thomas team was led by McAloon who scored three goals. Chart with two and Barry with one were the other St. Thomas goal getters. Will Houde led the Saints' attack with three goals, while Mike Hennessey and Allison Farmer scored the others.

ST DUNSTAN'S 4

MT. A. 3

The Saints earned their first intercollegiate victory of the season as they came from behind to upset Mt. Allison 4—3.

The Saints were a much improved team in this game and gave proof that they could still ice worthy intercollegiate teams. The Saints' goal getters were Farmer, Desrosier, McIsaac and manager Joe Shreenan, making his first team debut.

ST DUNSTAN'S 2

U.N.B. 7

The Saints, after an all day journey to Fredericton put up a fierce battle against a heavier and fresher U.N.B. team before bowing 7—2.

The S.D.U. attack was a distinct improvement and enabled the team to make a better showing against them than they did at Charlottetown, S.D.U. scorers were George McRae and Gerry McQuaid.

ST. DUNSTAN'S 5

ST. THOMAS 7

The Saints finished a disasterous schedule by losing 7—5 to St. Thomas. The game was a thrilling and rugged one all the way. Gagnon and McQuaid each scored twice for S.D.U. while Desrositer got the other. McAloon led St. Thomas with three goals.

NONSENSE AVENUE

'Tis the best o' times; 'tis the worst o' times. 'Tis the age o' Wisdom; 'Tis the age of foolishness... foolishness, the color in existence. 'Tis folly to be wise! But so few realize this...

There is a general rule, we fear,

That humour editors are queer;
But yet . . . nuts on your corridors

Are not all humour editors!

We have . . . like Alexander Pope . . . been beating our pates and fancying that wit would come . . . but all that comes is dandruff! John G. Saxe once wrote . . .

My dear young friend, whose shining wit
Sets all the room ablaze,
Don't think yourself a happy dog—
For all your merry ways;
But learn to be a sober phiz,
Be stupid, if you can,
It's such a very serious thing
To be a funny man.

Anyway . . . as the Walrus said . . . "The time has come to speak of many things . . . "
