## BASEBALL.

Our baseball season, always brief enough, was this year the shortest on record. This may be accounted for by the late Spring and also on account of the College closing a week earlier than in former years. Short though it was, it gave our baseballists sufficient time to get into shape and then defeat a Charlottetown team of the best picked men in the City.

Of course the various rival lines of the College met in friendly contests as usual and these helped to keep the enthusiasm of the fans at a high pitch. A most interesting game was played a couple of weeks ago between the crack Quebec team, under the leadership of the dignified Captain Beaudoin, and an aggregation of youths commanded by Master John Larsen. The latter bunch of youngsters was outpointed in every stage of the game by their more experienced opponents who had an advantage in having as their leader such an old hand as Monsieur Beaudoin. We will not give the score, sufficient to say that it was rather one sided. Still it would not be fair to Capt. Larsen's men not to give a word of commendation to Coach Murphy who held down Joe McIntyre's speedy but unavailing curves. Mr. Murphy is a comer and it will not surprise us in a few years to see his name enrolled daily on the score boards of one of the major leagues. Mr. Walsh (i. e. Squat) is also a man who will be heard of in baseball circles before many moons. Another man whom we expect to do good work for his Alma Mater in coming years is one Kelly, who performs equally well in the field and at bat. On these youthful ball tossers along with more of their calibre will depend the honor of the College on the diamond.

St. Dunstan's, 13. All Charlottetown, 3.

The first, last and only game in which St. Dunstan's Senior Team of the College year 1910-1911 took part was played in Victoria Park on Saturday May 13th.

In the opening of the game it looked as if it would be close and exciting, but the nervous fans were soon undeceived, when with the score tied 3-3, Pitcher McNeill of the Saints settled down to hard work and aided by that clever back-stop Doyle, mowed down the unfortunate City batters with almost monotonous regularity. His support was glib edged and he allowed but three safe hits in the remainder of the game and those lucky individuals died on base. Campbell of Charlottetown did fairly well up to the seventh when he made a grand ascension, forgetting to return to Mother Earth, and was replaced by Garrick, but poor "Bus" did not fare much better. At the end of the eighth inning the game was called with the score 13-3 in our favor. Captain McInerney led all in hitting, having to his credit a single, a two bagger and the only home run of the game. "Mac" also placed a crackerjack of a game on the initial sack. Sweeney on third was faultless and the three outfielders got everything that came their way. In fact every man on the team played a good game. The teams lined up as follows :—

## St. Dunstan's.

Doyle  
McNeill  
McInerney  
Meahan  
Sweeney  
Keoughan  
Reid  
Burns  
Macdonald

Catcher  
Pitcher  
1st. Base  
2nd. Base  
3rd. Base  
S. Stop  
L. Field  
C. Field  
R. Field

## Charlottetown.

VanIlderstine  
Campbell  
Garrick  
Garret  
Prowse  
Haszard  
Herrell  
Warburton  
Johnson

Umpires—McQuillan and Rooney.

## FAIR HITS.

That battery of ours was a corker. Willie's "65" dazzled 'em, and with Doyle behind the stick there was nothing to it but the cheering.

It was real mean of Mac to catch poor Johnson and Prowse napping on first. but—he had to do it.

Burns, Reid and Macdonald trapped everything that went outside the infield.

Gazing at the Saint battery, a dejected Charlottetown fan was heard to remark : "Say, them fellers are professionals from Chicargo." Some class, what ?
