

Maurice Roy

Mike Kelly

Rex MacCarville

MAURICE ROY was one of the top scorers on the Varsity last year with five goals in eleven games. A native of Campbellton, N. B., Moe played most of his hockey in the Minor League system in that area which is a fertile breeding ground for good hockey players. This is his second year on the Varsity.

MIKE KELLY came to the Varsity ranks after Christmas and was instrumental in getting the third line going effectively. Although he played only eight games last year, he had a record of four goals and three assists.

REX MacCARVILLE is a graduate of the St. Dunstan's High School team which won the Island Championship the last two years. Although a lightweight by Intercollegiate standards, Rex has revelled in the tough going at his left wing position.

DENIS DeCARUFEL was a standout in training camp last year and continued his feats throughout the season, scoring 10 goals and assisting on 13 more. Denis is a native of Shawinigan, P. Q.

BILLY MacMILLAN was the outstanding player of the league last year winning every trophy and award that was available. A former star with St. Mike's Majors and Neil MacNeil High School, Billy came to SDU last year to continue his education.

ANDRE GELINAS played with the Jayvees last year and was the third top scorer in the league. Peanut, as he is familiarly known, has a big job this year in centering the first line in his first year with the Varsity, but has thus far been equal to the task
