Merry Christmas and a Safe New Year

Give him a set of Weed Chains—the Gift which completely expresses the spirit of Christmas—good will to men and peace on earth that comes from SECURITY.

When roads are slippery he will smile with gratitude as he snaps the Weed Chains securely on by pressing the new Lever Locking Connecting Hooks.

He will appreciate your tribute to him as a careful, intelligent driver who puts on Weed Chains whenever they are needed to make motoring safe for himself, his family, and all who use the streets and highways.

Place your order now and we will have them ready when you call, or we will deliver them anywhere in the city before Christmas.
